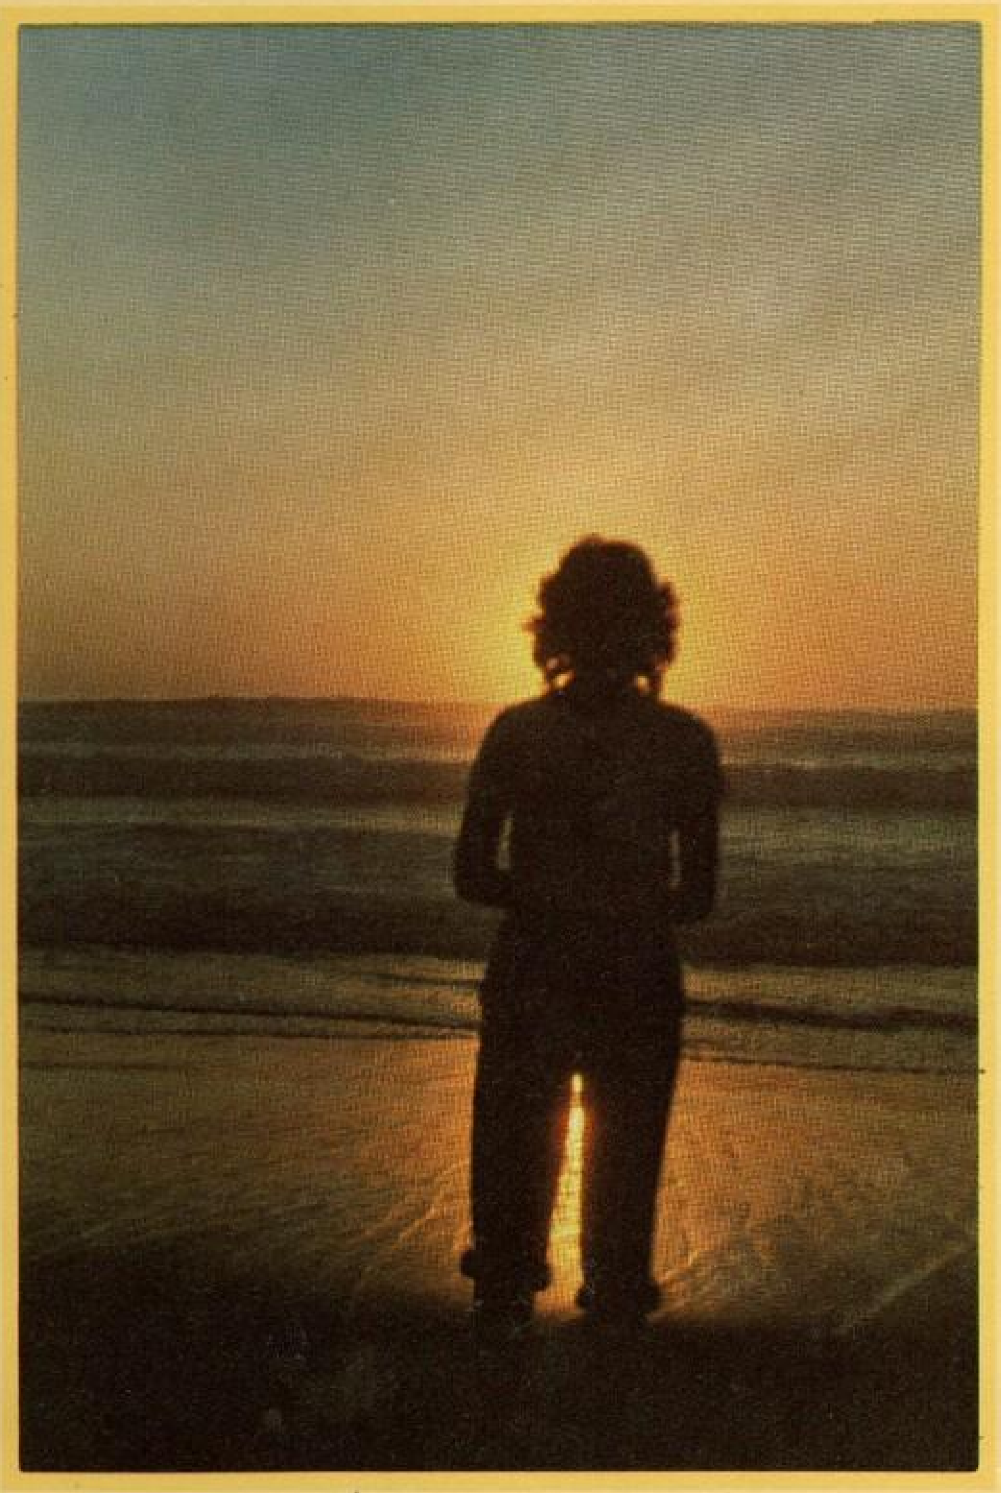
Jeff Dougherty 11th Junior



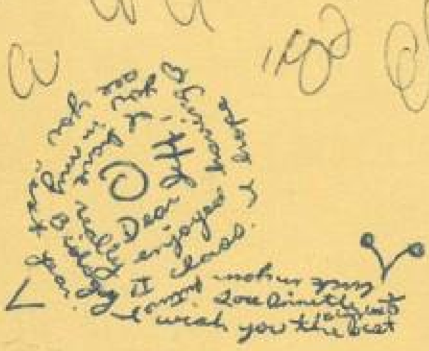
Jeff, it's been good knowing you. Have a wonderful summer and I'll see you next year.
Love
Vicki
"82"

Jeff,
I hope you have had a great year. I know you'll have a great year next year since it will be your senior year. Have a great summer. Good luck in any future goals you have.
Your friend
Ana Dreyfus

Jeff,
It's been great having you in Biology and Severson's. Good. I hope you have a great summer. I see ya next year!
"82" Love
Ellen King

Jeff, Its been a great year in Kozik's class and also great up in Yosemite even if you were crazy enough to climb Half-dome. Don't get too drunk over the summer, this is for your mom to read. Dave Smith

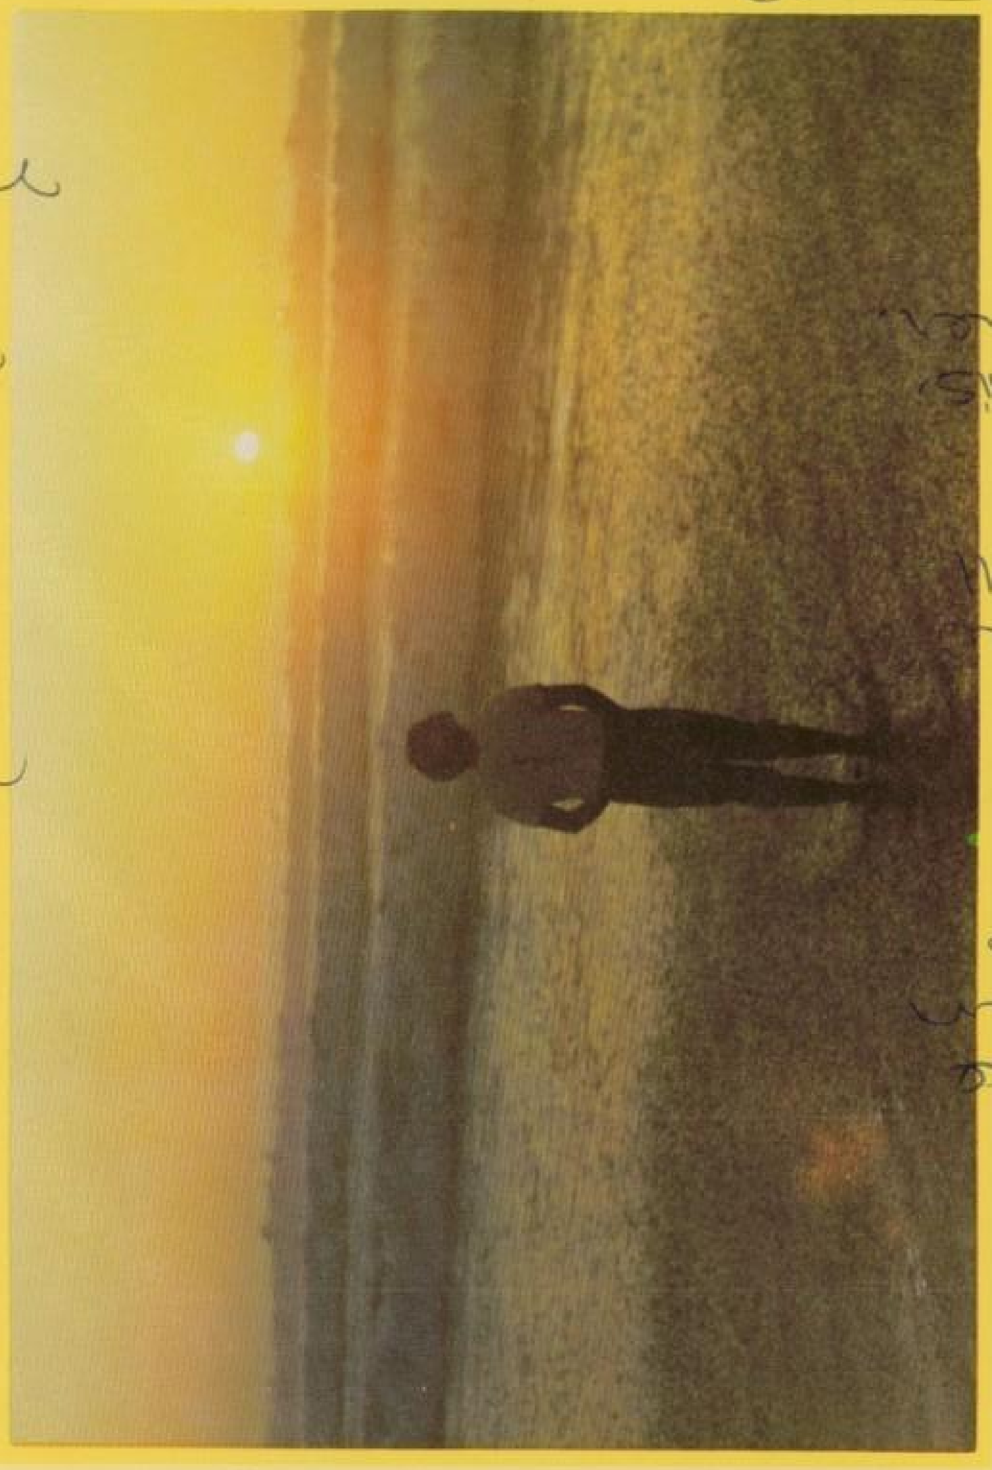
Jeff,
You don't talk a whole lot but I think you got the hots for Denise. Well take it easy.
Edna Monroe



Dear Jeff, I enjoyed having you in class [illegible] Good luck [illegible] Love [illegible] wish you the best

Jeff,
Thanks for all the rides home! You keep me baby brother out of trouble and away from those girls! Have a good summer stay out of trouble and don't wreck any cars!

Love,
Paula Nielsen



Jeff -
This is Herbie talkin' sorry we had to have met in Geometry thats got to have been the worst class in my life! Mr Coates doesn't sleep at all either. Yosemite was fun hope to see ya there next year! If I know you you'll try to raise hell this summer. Keep it cool!

Love always
Cori Freeman
"83"

ey,

Jeff
I really don't know you very well, but you are a really nice guy I hope you have a great summer
Margot Cathcart

Jeff,
You really don't know me to well but maybe next year we'll become better friends. Have a great summer
Love Penny Evans

Hi Jeff!
It's been nice
having you sit
next to me in History
that is when your there!
But what a class - "woow!" What
would I do without you - to pass
notes to Elena and stuff! Anyways
you're a nice guy! So take care of
yourself and have
a great sum!
Love
Michaele
Middlestead

Jeff,
It's been very
interesting having you
in Geometry. You guys
got pretty crazy!!
Have a Great
Summer!
'83' rules
Love
Jami
Mihm

Jeff,
It's been real fun
having you in Geometry.
It was great
knowing you. Have a great
summer. Don't get into much
trouble.
Love
Heather Reed
"82"

Jeff,
It's been interesting
having you in Biology.
Our group had the best
oral reports. But what
can we say? the subject
was the most interesting.
Sex! Well good luck
this summer and I'll
see ya next year.

Jeff,
I am really glad that you were in my Bio II class. We had some pretty good times in Biology. Did you go to Yosemite? You should have, it was great. We all should party over the summer. We have the best times when we party together. Hope to see ya over the summer and good luck next year.

Love always,
Cathy
Calanica

Jeff-
It was really fun having you in Biology 2. You are a sweet person and I hope you stay that way. See ya next year.

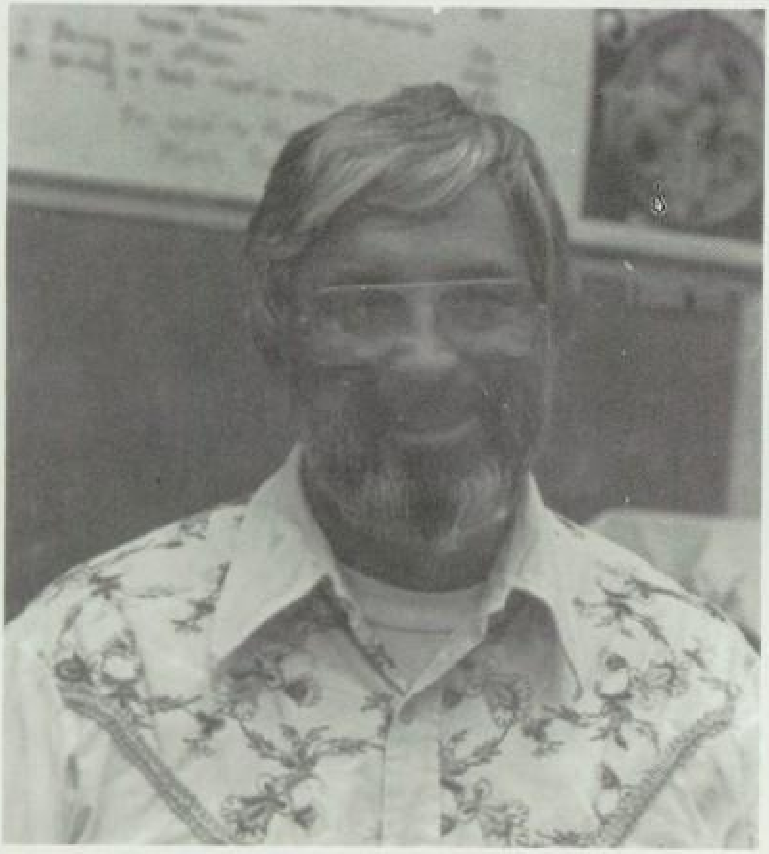
We Speak Your Language

Margaret Marshall
Washington State University
Sonoma State University
Ms. Marshall has also attended several summer schools in Spain and Mexico. Her school year is going great.



Jerry Wright
Sonoma State University
San Diego State University
Mr. Wright thinks his students are great.

Did you hear about all the different languages we are learning at our school, other than English? They are Spanish, French and German.

The teachers this year for Spanish are Ms. Marshall and Mr. Keller. For French we have Ms. Beltz, and for German, of course, Mr. Hvermann.

This is also Mr. Keller's first year back to teaching since he has been Vice-Principal, and he is enjoying it immensely. Oh yes, Ms. Marshall is the department chairperson.

C.I.P., Cat Baresin, has been assisting in Mr. Havemann's German class. She is a senior student majoring in German at Sonoma State University. Cat is delighted by the association with Rancho's students.

While discussing with Mr. Wright about the music department, I realized how fortunate we are to have such a good music program.

The heart of the Rancho Cotate spirit lies within the band room and the souls of the band members and flag girls. I am sure you experience that same feeling as I when you watch our beautiful red, white and blue uniformed band with their shiny instruments and powerful drums march out on the Rancho Cotate football field playing loud, strong and full of life.

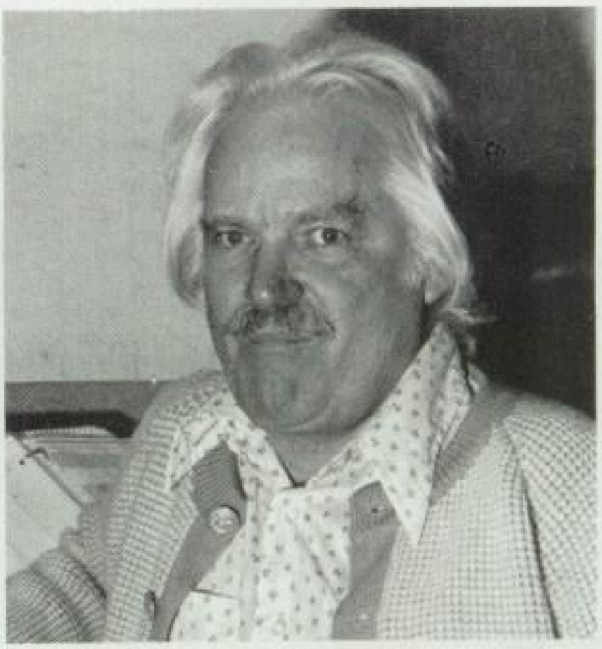
Every day, during second period, when you walk into the band room you'll most likely hear the sound of many fresh voices practicing for their up coming concert. They spend months practicing their music to present to all kinds of audiences.

The numbers of members in band has increased this year comprised of new students to the Ranch, including fresh new musicians from our Jr. High School.

The choir membership has remained about the same as previous years. But a majority of the choir is made up of Seniors, who will leave the Ranch in June.

1

Carol Geyer
U.C., Berkeley; Political Science, U.C., Santa Barbara, Great classes! I love all the challenges.



2

Paul Lyon
U.C., Berkeley: U.C.L.A.,Hastings Law School, No rooters bus this year; it's been great!

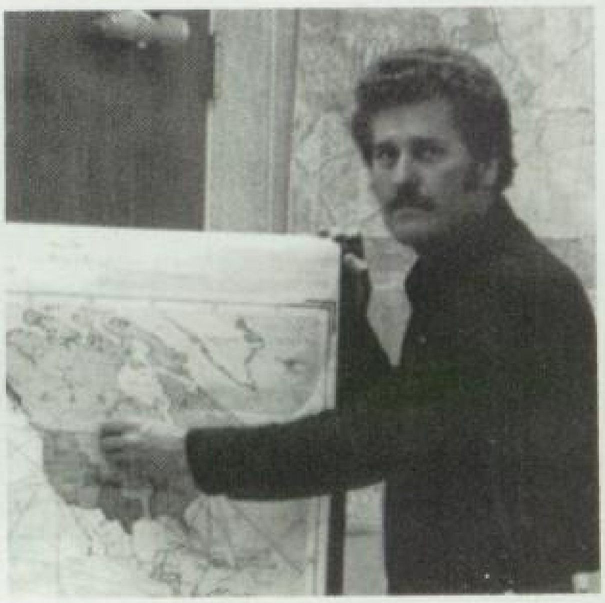
4

Warren Hopkins
Sonoma State University; B.A., Contra Costa University; B.A., The year gets better as I get more mellow.



5

Ken Dole
San Jose State University; B.A., San Francisco State University. Very smooth-either I'm getting better or someone likes me.

Introspection continues among the teachers in Social Studies . . . you know, "up-grading" their classes, looking more deeply into their personal resources and examining teaching styles and methods for even greater effectiveness. Have you noticed? The U.S. History teachers used the Journey theme for the first time. As I passed from teacher to teacher every quarter, I felt it was kind of neat. With each new period I encountered a new personality with each new teacher. The journey existed at other levels too, including time, space and ideas. Reflection on theme ideas for the U.S. History classes has been one of the top priorities this year. A first, in the Rancho Cotate Social Studies department, was the election of a woman as chairperson. Ms. Geyer, the only woman in the department, holds that position. She loves the challenge.

Bob Smith
Eastern New Mexico University; B.A., Graduate Oregon University. I'll personally be happier when R.O.P. opens.

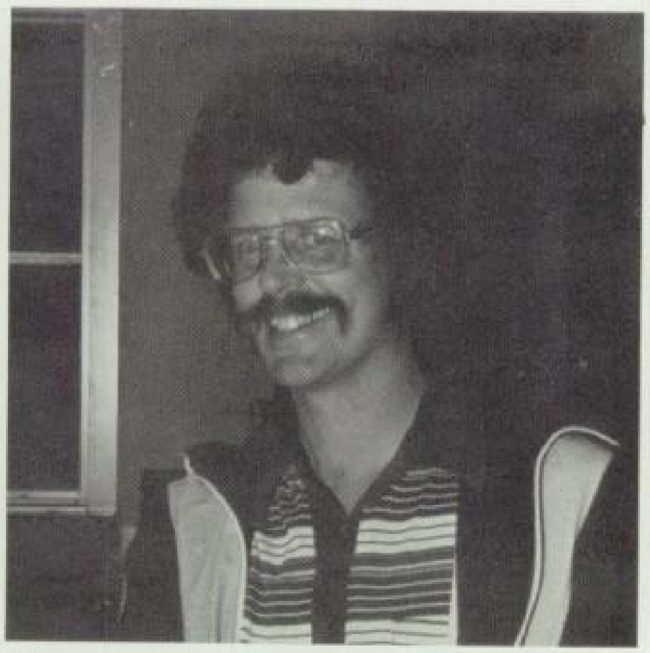
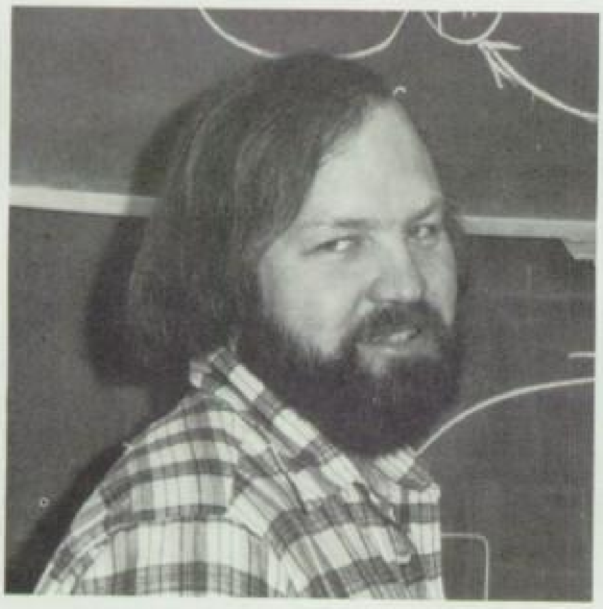
Students alive and active, things going great.

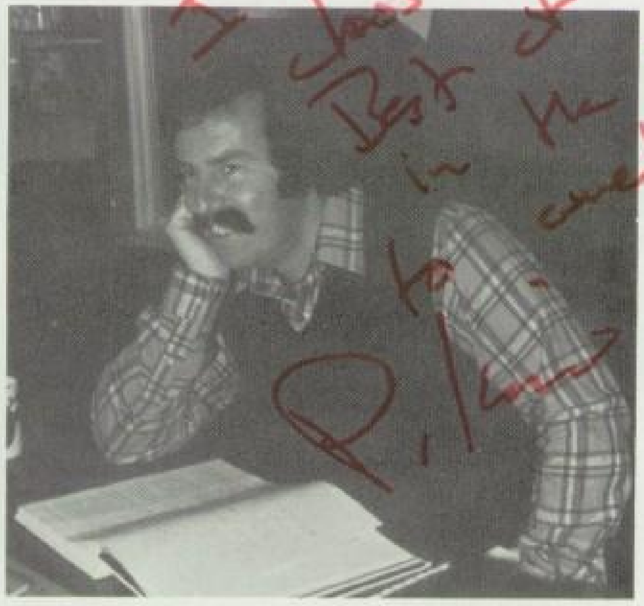


TOM LARSSEN CA State University Hayward, BS in Biology and Chemistry.

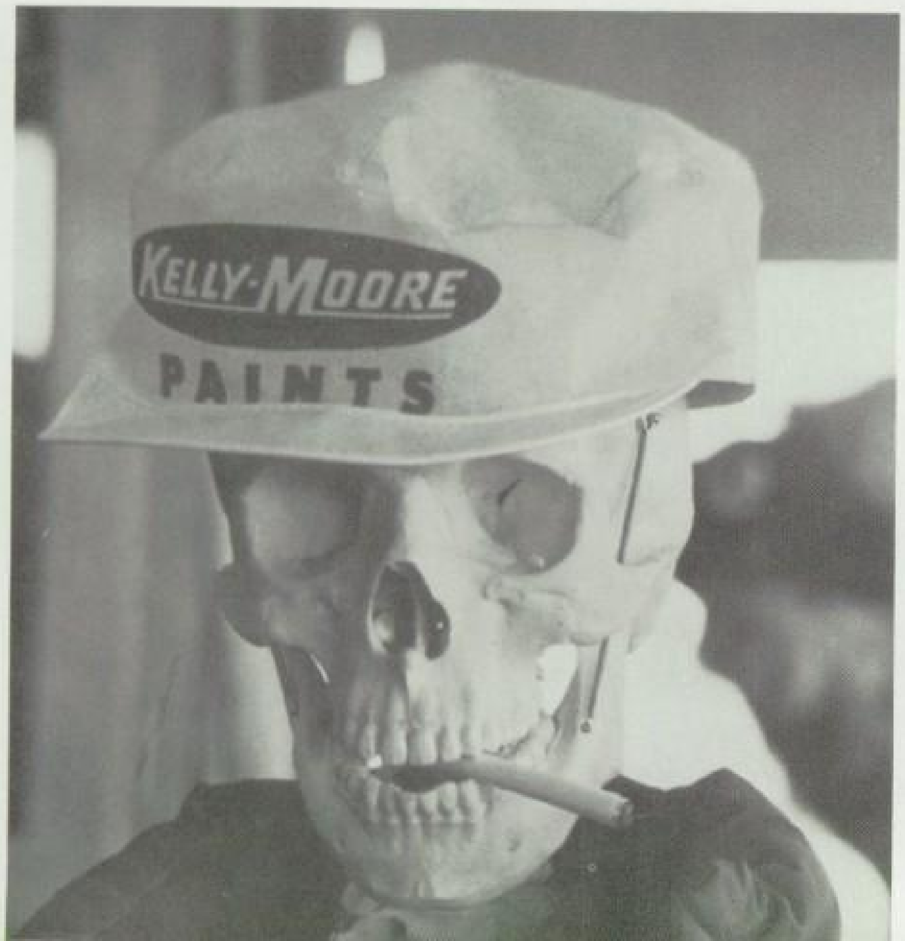
Jeff-
I really enjoyed your class this year. Best of luck to you in the future!
P. Kozik



MARK ALTON University of CA, Davis, BS.
Sonoma State University
Student Council impressive lots of energy.



PETER KOZIK
UCLA, UC, Berkeley.
San Francisco State and Sonoma State University.
School year going great, Love the "Ranch".



Smoking is dangerous to your health.

Hava you seen the quad out by the portables? The students in MS. BARESIN'S classes created a Park out of a barren adobe square by the new portables. It consists of several kinds of trees, shrubbery and flowers. Pathways were designed and placed for foot travel. They planted a lawn and created a beautiful rose garden with space for propagating and grafting. It's so lovely.

MR. ALTON tried something new this year. He taught Biology with an interdisciplinary approach to environment studies, with an emphasis on laboratory and field work the second semester. It was a great class; the kids like to debate and discuss topics under study. We all leave with intelligent minds and a great sense of humor.

And, you know MR. KELLER? He's a Science teacher this year, and he's so nice. He says there's never a dull moment with this year's Frosh class.

There's a new Microscope lab this year. It's neat. It's located over by the new portables on the far edge of the Park.

And Department Chair, MR. LARSSEN, is back with us this year after a year in SWAS (School Within a School). He's teaching Chemistry and Biology and loving it.

MR. FOWLE teaches General Science; MR. BUHN, Chemistry and Physics; MR. BETTENCOURT, General Science; MR. PETERSON, Biology and General Science; and MR. KOZIK, Biology and Life Science.

Writers Get Help

I found something interesting and positive happening in the English Department. It's a new method of teaching it's called P.A.T.L. which means Positive Attitudes Toward Learning. The program helps teachers to motivate students in a better attitude towards English. Sounds like a wonderful progressive step to me. So Good Luck to the English teachers.

SHELLEY CAVINESS
University of California, Berkeley, BA
"I am particularly enjoying 'Letters', and American Literature after a year's leave."

MARY LEE HIGGINS
After a year in Canada I've come back to the Ranch with a fresh perspective. Working with friendly, honest students.

Sonoma State University,
My year has been full of surprises.

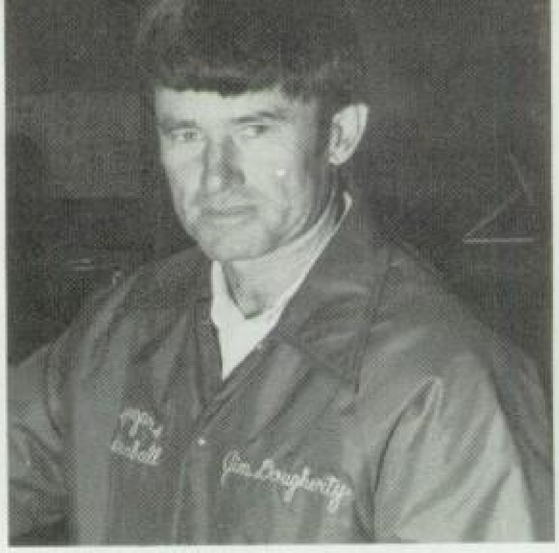
JUDY BROWN
San Jose State, Sonoma State University
San Francisco State College
This has been a great year and students are great

JIM PEDGRIFT
University of California, Berkeley, BA,
North Carolina State MA,
Year and Students both great.

BOB ROBBINS

Hey they really have got some great math classes this year. Math really used to be kind of dull but now it's interesting and full of fun and excitement. I heard that the teachers are using new equipment and techniques with the students. Yah, thats really neat, we students just love those good old numbers. So thanks to MR. DAVIS, the department chairperson, and all of the other hard working and devoted math teachers.

KEN SMITH
P.E. department chairperson



JIM DOUGHERTY
San Francisco State and City College,
The year has been great! All my students respect and love me!

MIKE FRANCIS
Back again to the Ranch.
He was gone for awhile but just couldn't stay away!

PE Keeps Us Running

DAVE FRANCIS
Sacramento State University
Enjoy the new school atmosphere.
Students are just great.

LAURIE LEACH
University of California, Berkeley, BA
Sonoma State University
This year was great.

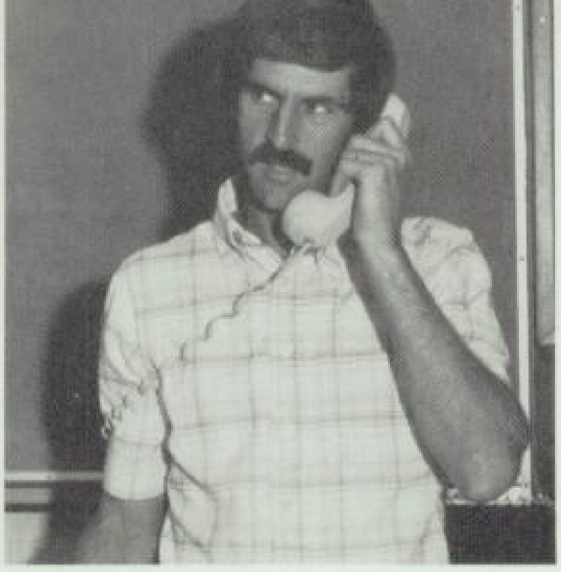
Ms. McKenna and MR. SMITH are the two P.E. department chairpersons. A new thing I saw this year is a portable weight training room. It's located out by the black top next to the baseball diamond.

From what I hear the classes offered this year are, Soccer, Volleyball, Football, Basketball, Badminton, Tennis, Gymnastics, Exercise, Archery, Backpacking, Cross Country, Skiing, Track and Field, Folkdancing, Square Dancing, Recreational Games, Bicycling, Wrestling, Softball, Jogging, Weight Training, and Raquetball. Boy, with all these fun and exciting classes to take we soon will be healthy.

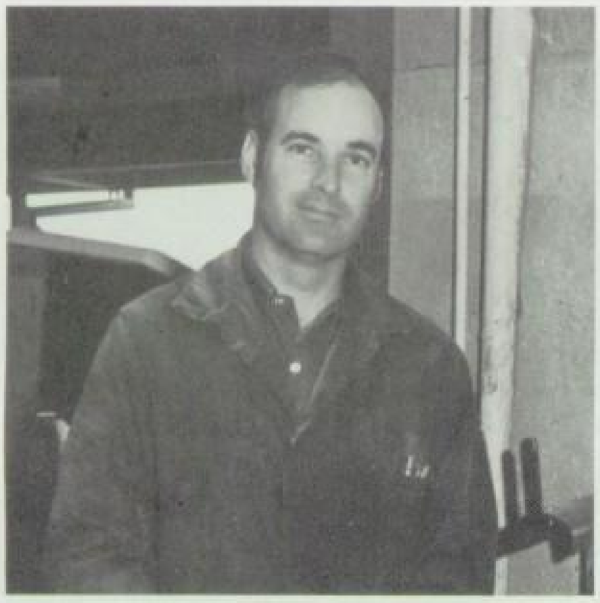
DONNA MCKENNA
Sonoma State University BA
Have a glorious year, love 9th graders and coaching volleyball.

Shop Fixes It Up

CHRIS OAKES
Laney Jr. College in Okland
San Jose State University
Has been a year to remember!

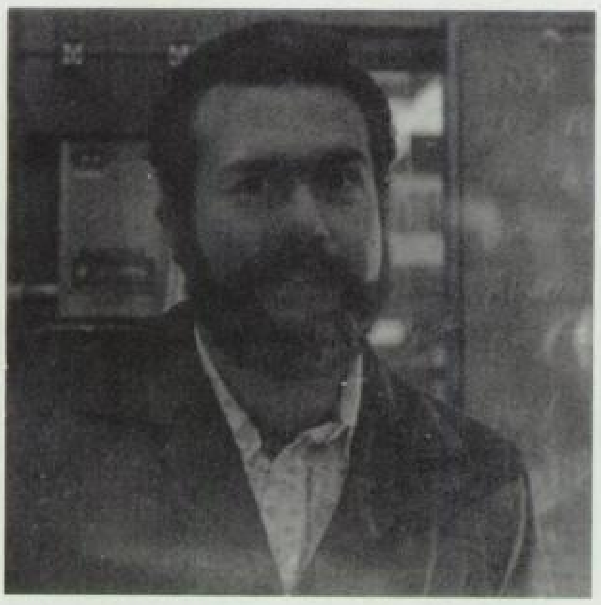


BOB LOMBARDI
San Jose State University BS
Sonoma State University MA
Students Love my jokes!



CHARLES BADGER
Santa Rosa Jr. College, AA
Brigham Young University, BS, MS,
Year going good!

BOB BELTZNER
Chicago State University, AB, MA,
This year is great!



RICH HARM
San Francisco State, BA,
So far this year has been going very well!

The other day I went to the Industrial Arts shops to visit with MR. BADGER. He told me he would like to get some new equipment and is hoping for Federal Funding to help out. Some of the needs are new painting booths to replace the old homemade ones they have now, and a new tire changer. But money is tight and he's not sure what he will get. His only real comment about his department is, he wished there were more girls, girls that are "not afraid to get their hands dirty."

Jeff
I enjoyed having you in class
but I sure wish you would
get your act together where
attendance is concerned. Have
a good summer
Mr. Harm

Teachers Do Special Things

Mr. Hogan teaches Learning Disabilities this year.

Ms. Phyllis Marden teaches Special Education and one class of Sophomore English Workshop.

I heard that non-departmental teachers are really on the go this year. The non-departmental teachers for this year are: Mr. Hogan, Learning Disabilities, Mr. Hansen, Drivers Education and Health Education, Ms. Marden, Special Education, and Ms. Durr, also a non-departmental teacher.

Do you know Ms. Phyllis Marden? She is "the Ranch's" Special Education teacher. She has been involved in education all her life, "The school year has been fine," she says. Special Education combined with one class of Sophomore English Workshop gives her a different perspective on the students at "the Ranch". She used to teach in Marin County. The first college she attended was North Eastern College in Boston and then received her degree at the University of Maryland.

Guess who I saw the other day? Mr. Hansen. I call him "Normy-Baby" but that's supposed to be a secret. He is really having fun this school year. "The students get more intelligent every year," he says. In my opinion, Mr. Hansen is one of the most loved teachers in this school. We Love you Norm!!

Mr. Norman Hansen is our Driver's Education teacher. He has taught this class for many years.

Learning
is finding out
what you already know.
Doing is demonstrating that
you know it.

Teaching is reminding others
that they know just as well as
you.

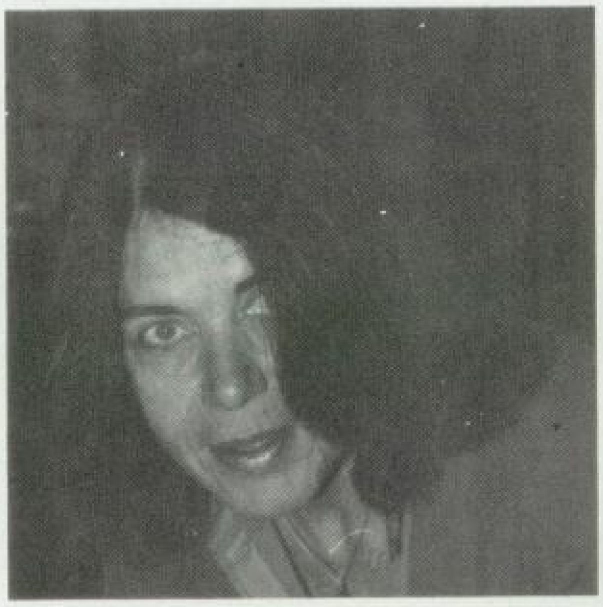
Cooking is an Art

BARBERA MCGOWAN
Cal Poly, Slo,
San Francisco State University, BA
Year going great!

Did you hear about all the artists we have at our school? The only thing is they aren't all in the art department this year. They are also in the Home Ec. department. MRS. MCGOWAN, and MS. NELSON are doing really well teaching students to created artistic foods and crafts in their sewing, Applied Design, Foods, Living ABC's of Life and Interior Decorating classes.

As I was going back to the Art department I found a lot of old familiar faces and friends. Sure enough, there's MR. HAVEMANN, MS. TESELLE, MS. LA VOIE, and MS. DEJOSEPH. We all know how wonderful they are.



LOVETTA LA VOIE
University of Minnesota
Sonoma State University
University of San Francisco, MA
Rich and stimulating, I love it!

MARY LYNN TESELLE

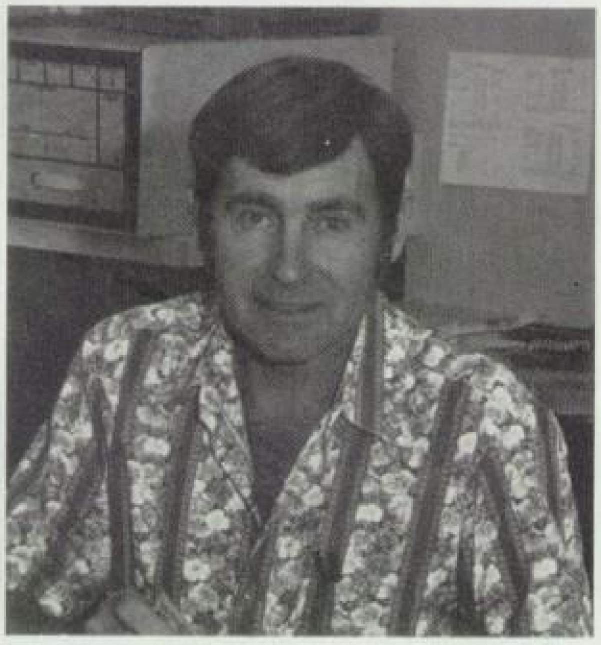
Business is our Type



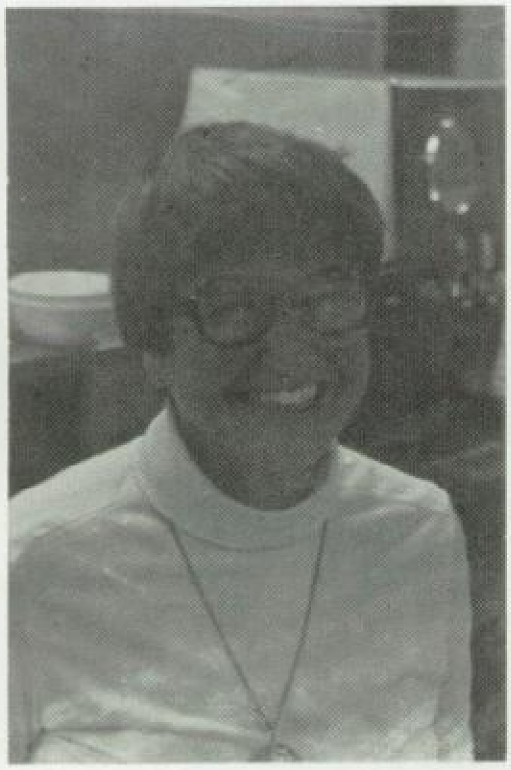
WENDELL MCCREA
Wayne State, Nebraska
San Francisco State University, BA, MA,
Year has been great.

METHA SCHULER
Chicago State College, AB
The year is going great and the students make it that way!

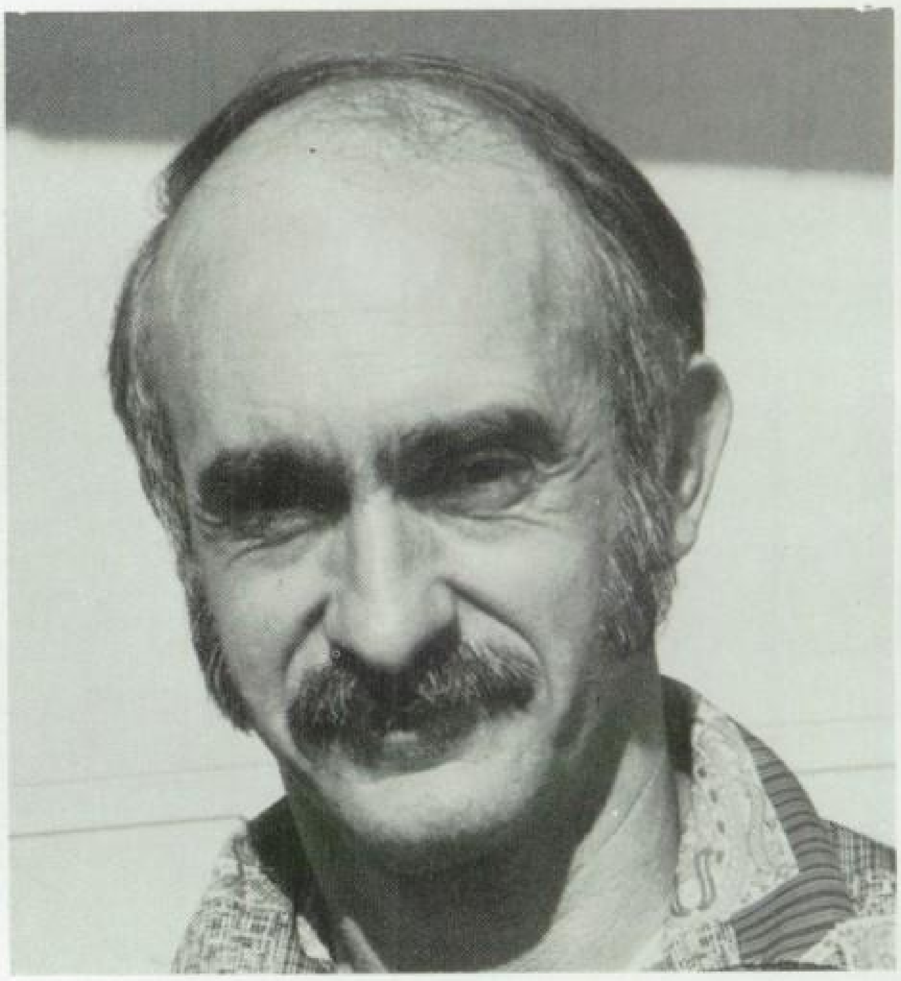
Did you know that this year in the business classes things have changed a little? MR. SARLATTE is still teaching Accounting 1 and 2, Business Law, and Reocrd Keeping. MS. FEDGE is still teaching Short Hand, Typing and Office Practice but she is also taking over one of the Business Machines classes for MR. MCCREA. While I was at the business rooms I talked to MS. SCHULER and she is also teaching Typing and Office Practice. But when it came to MR. MCCREA, there was a big change. He is not just teaching his regular Business Machines classes, but he is also in the Activities Office for three Periods, serving as the Financial Director. They all feel the year has been a good one.

HENRY SARLATTE
University of San Francisco
San Francisco State
University of California, Berkeley

ROP'S



Verona Coates
Oregon State University, BA,MA



Mr. Moreland gets a charge out of teaching.

Electronics

Kotate Kitchen

I just found out the latest scoop about ROP. New name changed from Culinar Beginnings to Kotate Kitchen. Most Students taking ROP last year didn't know what culinar beginnings meant. So, they all took a vote and decided on Kotate Kitchen.

Also I saw Kotate Kitchen's new commercial microwave oven, which will teach students more about modern cooking.

While having a friendly chat with Ms. Coates, Kotate Kitchen's advisor, I found there to be an increase in the student ROP enrollment. Yet in previous years ROP has been, quote, "where the action is."

I also found out the goal of ROP is to prepare students for the food industry and to help them get jobs in their near future.

Hey, ROP? Been wondering and wondering what that means! Regional Occupational Program - fantastic. And there are two programs on our campus, Electronics and Food Services.

Mr. Moreland teaches Electronics and his classes are larger than ever, about twenty students in each. Wow! He's using a digital clock. It definitely is increasing student's motivation. I can see that the individual instruction program needs restructuring, such that students in this program could enter and leave whenever needed. Besides that, Mr. Moreland is a neat guy.

School Board Wrestles Issues

1

JIM DAVIDSON

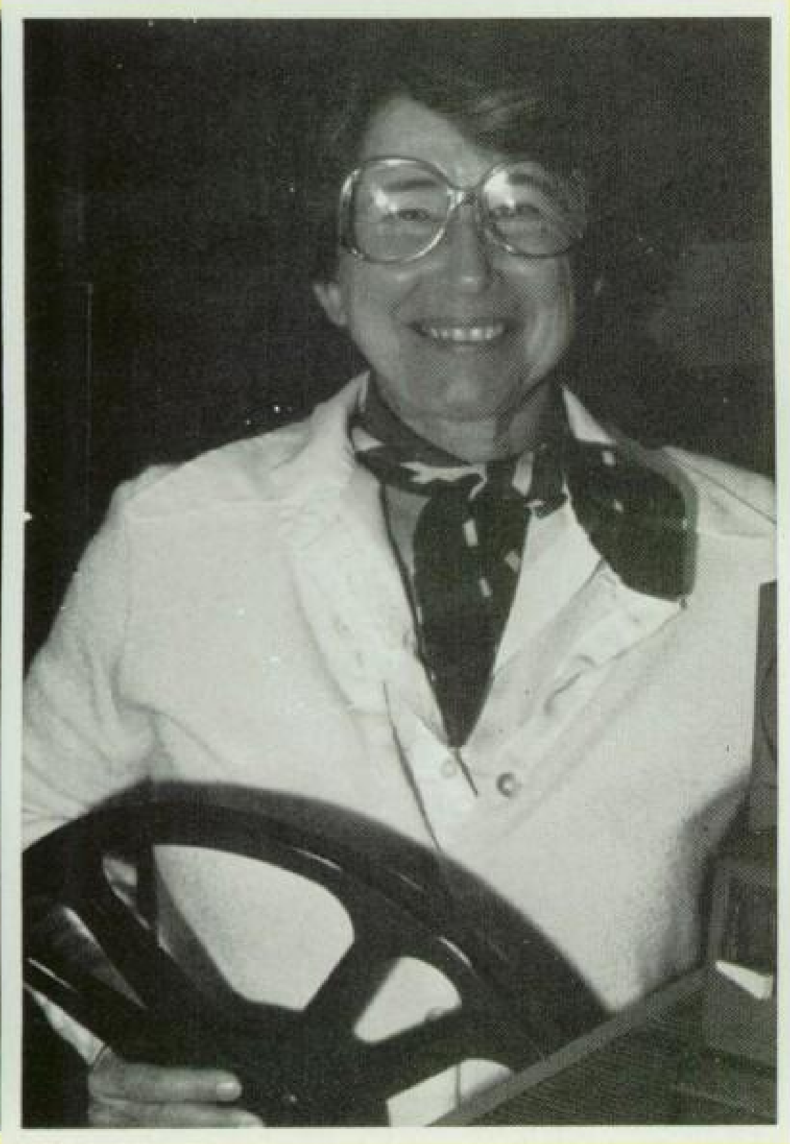
3

Have you ever been to our school board meetings? Well, let me tell you, I found out several interesting things. For example, at the meeting I went to, the Board decided to allow 18 year olds, with proper insurance of course, to drive students for field trips and to other places and events.

The School Board meets in the RCHS Library at 7:30 p.m. on the third Tuesday of the month. Our own Kristi Smith is the student representative on the board.

(1), Board members, Frank Gleason and past-president, Alice Wells, (2), Dr. Robert McConnell, Secretary of the Board and Superintendent of Schools, (3), James Davidson, Asst. Superintendent, Stephen Roberts, Personnel, Helen Wallace, Asst. Superintendent, (4), Board President, Maurice Fredericks, Ms. Duhlberg, Secy. to the Superintendent, Donna Campbell and Jose Rodrigues, mull over school district issues, while (5), the audience ponders with them. Photos by Deaette DeBrunner.

Library is Really Bookin'



2

1

1. Ms. Sentfen wheels and deals.
2. Ms. Ono smiles at the thought of all the students reading.
3. Ms. Clark guards the magazine.

3

While I talked with Ms. Ono, I found out that more students are using the library this year. This is partly due to more books and more video tapes. But a significant contributing factor is the library-use instructions program which was inaugurated this year.

The Helping Hands

Have you heard about the three wonderful ladies who help? Let me tell you, we are so very lucky to have such caring people working at our school! I, for one, think it's great to know they are always there if we need them. Such hard working, understanding people are hard to come by. Yea for us!

1

2

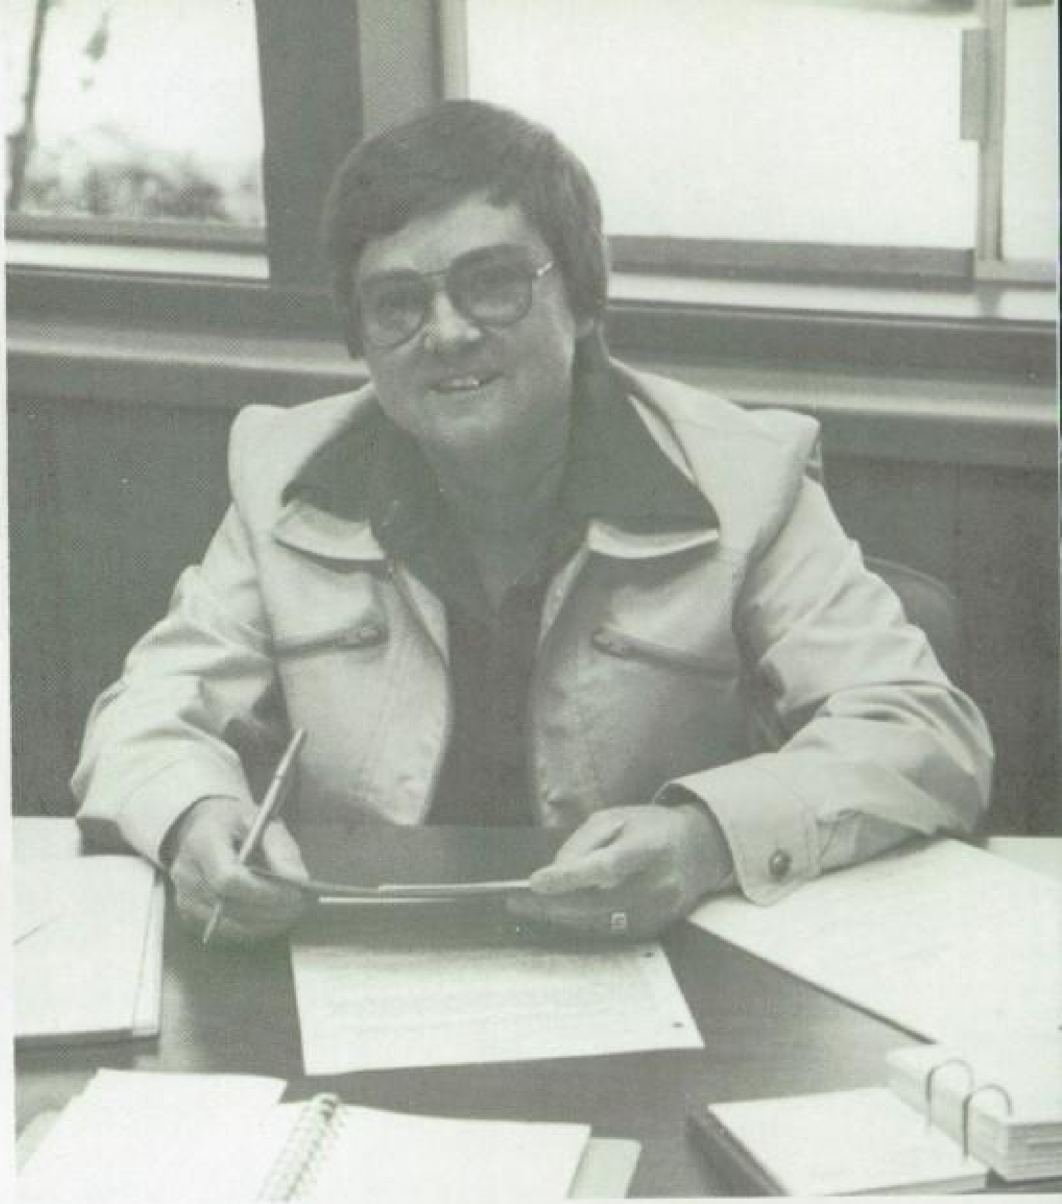
3

1. School Nurse, Eileen Balius, has real patients.
2. Caroline Maxwell, our Speech Therapist, takes a break from her busy day.
3. Psychologist, Yvonne O'Neil, gives us a warm smile.

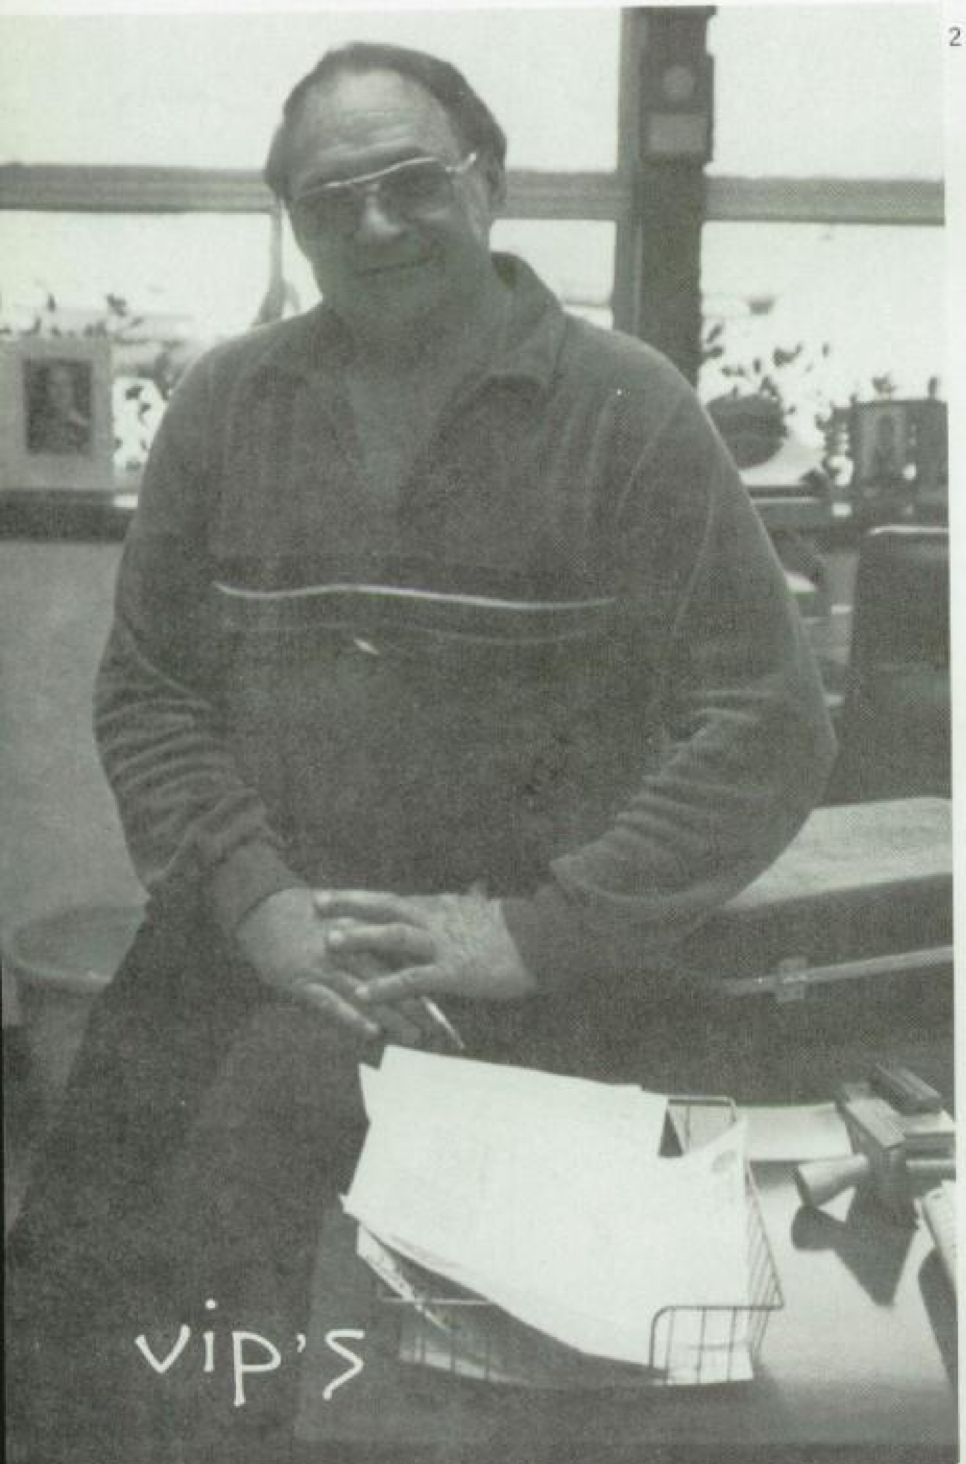
Ahead Of It All

I was walking through the office and to my surprise, there were two new signs on the doors. They were MR. BROCK, Vice Principal, and MS. MILLER, Dean of Students. There was also a very familiar sign, MR. DAGGETT, Principal. All three are working very hard on discipline and are very caring to the students. MR. BROCK, MS. MILLER and MR. DAGGETT like their jobs very much. I also found out the MS. MILLER is the first woman Dean we have ever had. Thanks, you three!

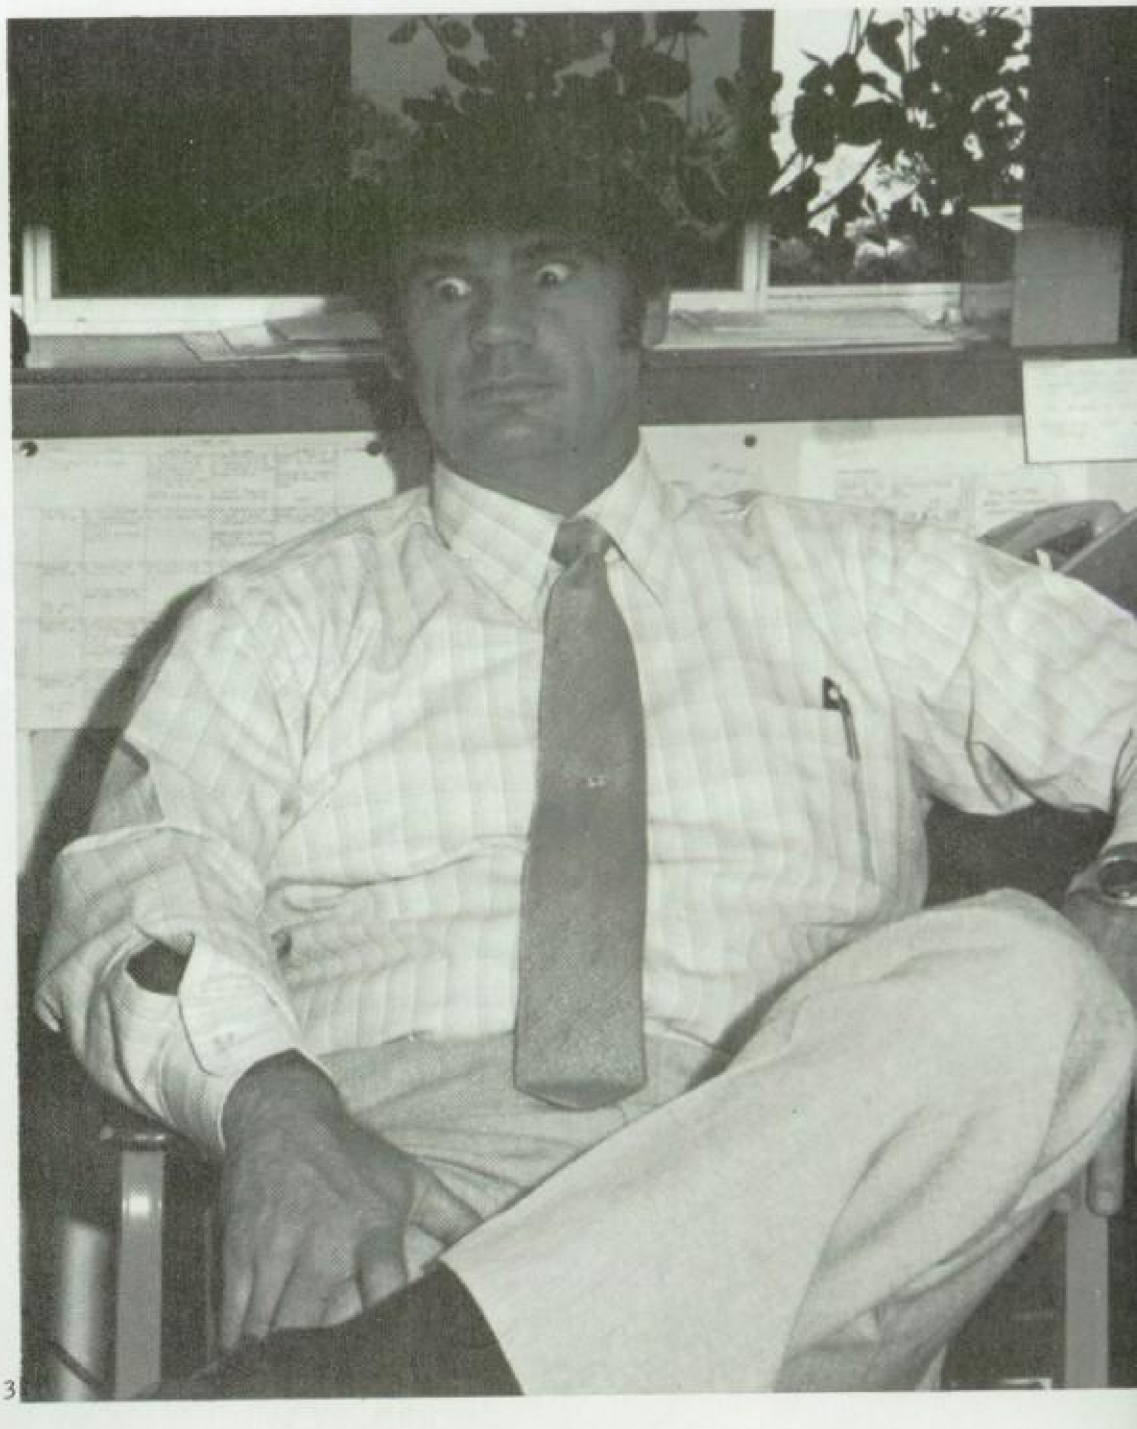
1. Ms. Miller takes a moment from her busy day.
2. Mr. Dagett asks, "May I help you?"
3. Mr. Brock's eyes are wide open to his new job.



1

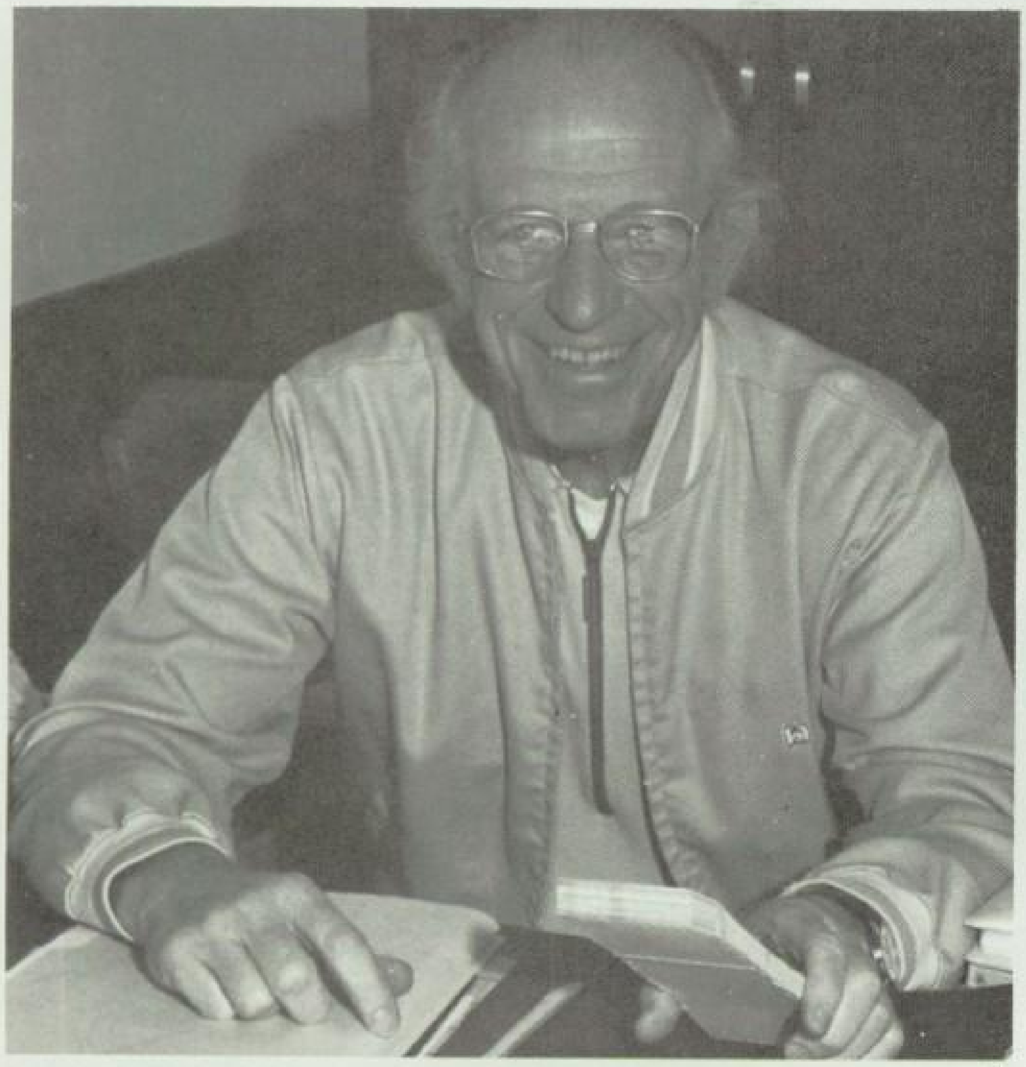


2



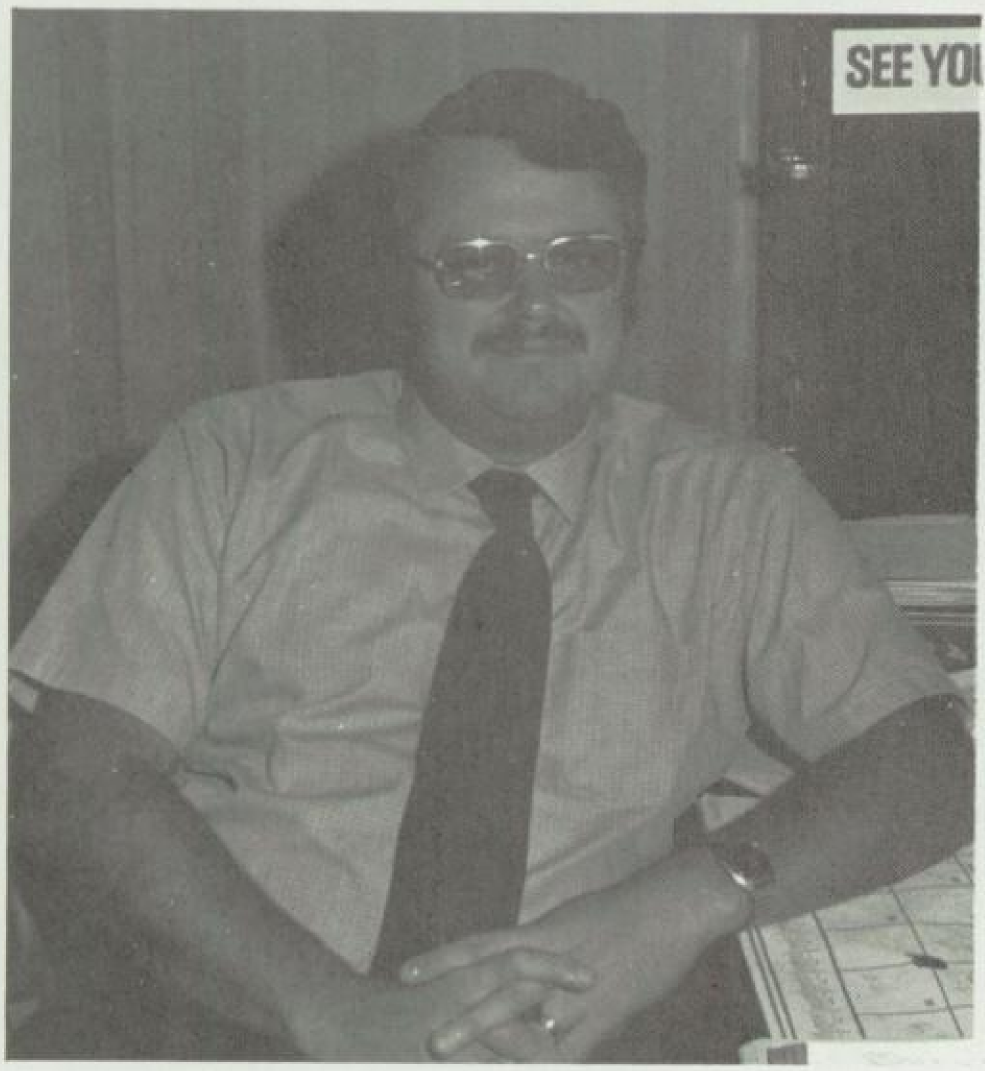
3

All in a Day's Work



2

1



3

Mr. Rusk told me that EVERY year is a great year and this one is no exception.

You know, those Career Center people find it very exciting searching for new ways of preparing students for a world of jobs where the needs keep changing, very rapidly. They also find it challenging. Teaching Career Decision Making is one of the ways of planning for a life work. Another way is get placed through the Career Center into a job in the community so that you can kind of test it out before making a final decision.

And if you're going to college, you want to find out about which college offers the course of study you want to pursue? Go to the Career Center! Those people are just full of info.

1. Ms. Thompson types a report for Mr. Rusk.
2. Mr. Rusk looks toward the future.
3. Mr. Logsdon tells about the career potential out there in the community.

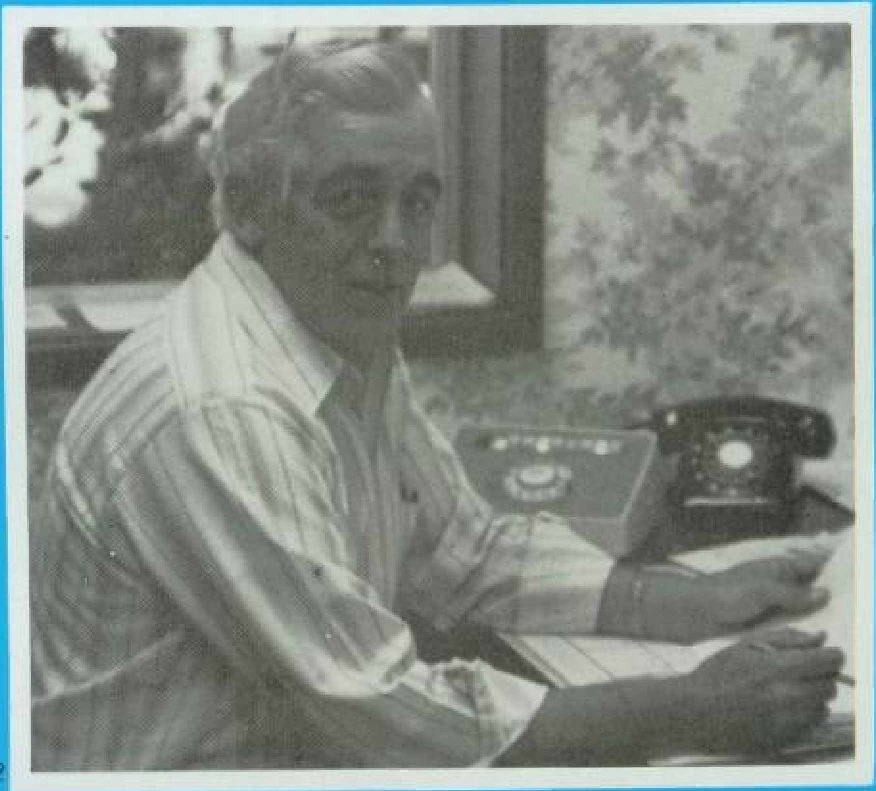
The Guidance Givers

I heard something startling the other day, our Mr. Seely is retiring. Since the birth of our school he's been counseling the students of Rancho Cotate. I know him as a kind, caring and loving person. We'll sure miss him, huh?

All the counselors have been very busy I hear. What with all the students, their schedules, personal problems and college decisions it keeps the four of them running.

1. Mr. Seely during one of his busy days.
2. Mr. Bright gives us a warm look.
3. Ms. Weightman grins for us.
4. Ms. Negri shows us her winning smile.

2



3

1

FRANK K. SEELY

4

Secretaries are our Type

When I walked into Rancho Cotate's office I was greeted by friendly secretaries. Ms. Derby is our new secretary. We all used to see her in the Library, now she works in the attendance office. The other secretaries are, Ms. Ballance, in the attendance, Ms. Katen, in the attendance office, Ms. Miller, the Principal's secretary, Ms. Bell, the activity secretary, and Ms. Anderson who is located in the Annex. She helps the financial director, the activity director, the student council and yearbook. What would we do without them?

1. Ms. Derby concentrates very hard at her new job.
2. Ms. Bell smiles pretty for us.
3. Ms. Ballance looks upward.
4. Ms. Miller smiles with delight.
5. Ms. Katen says welcome to all the weird notes.
6. Ms. Anderson gives us a sweet hello.

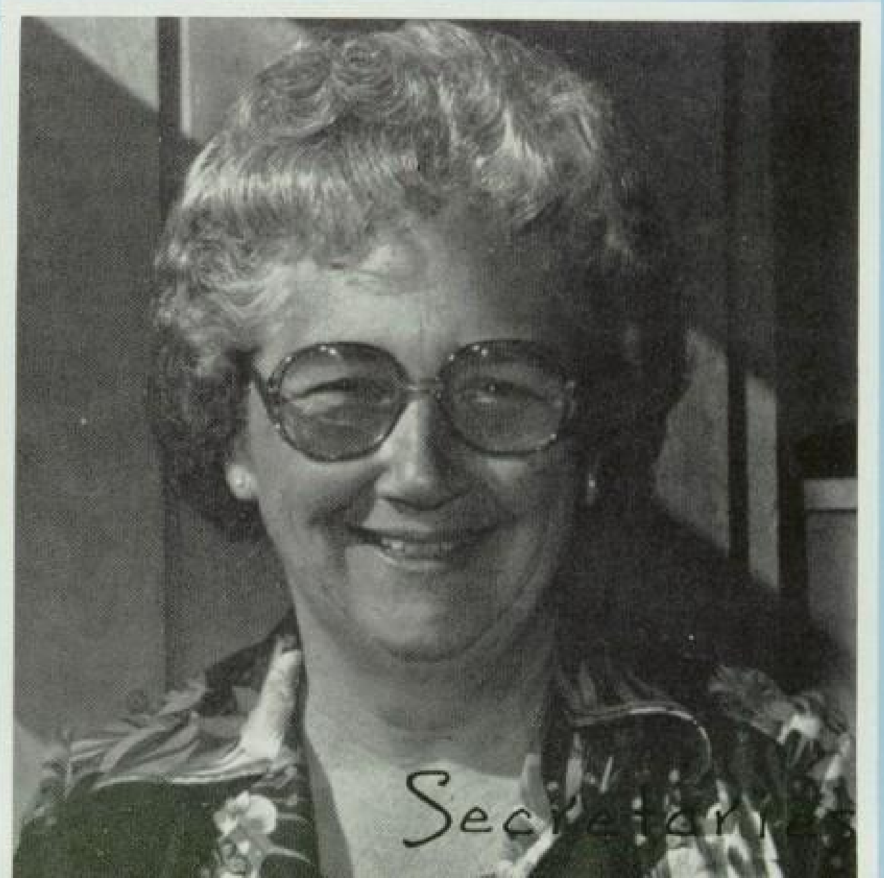
1

2

3

4

5



6

People Behind the Scene

I talked to the custodians the other day and one said that the campus environment is getting better every day, another said that the communications between the custodians and the faculty are especially fine.

The campus supervisors say that the kids are better than ever.

And the cafeteria workers are so friendly and helpful.

There are such neat people here!

1

2

3

4

5

1. Grace Gilbert has Layne Megill firmly in hand. 2. Earl Tankersley keeps a watchful eye. 3. Donna Clubb holds down the RC Room. 4. June Taylor stays to her patrol, while (5), Ray Sani stops briefly.

Narcs

1. Our yummy cooks are: Darlene Butler, Wilma Kunkel, Carole Herskind, Delores Nakatari, Alyce Sugiyama, Sue O'Donnell.

2. Our hard-working clean-up crew are: Richard Ingerson, Ron Kamaka, Clarence Peterson, Bill Willis, Mel Ingerson, Guy Allen, Ron Wharton, Lyle Crawford, and Sam Harris, Head Ranch Custodian. Not pictured are: Roland Douglas and Gerry Green.

Coming Home to the Ranch

I went to the homecoming, it was so thrilling. Excitement filled the air as the Queen Candidates and their escorts arrived in the late model cars. The drum roll started and the tension grew as they were about to announce the Queen for 1980-81. A scream of joy was heard by all as Tracy Gregonis was crowned.

Though they fought hard, the Cougars were defeated by the Petaluma Trojans by a narrow margin.

I talked with Mr. Laguens about his Varsity Football team. He said as follows: "The 1980 Football season was packed with exciting, dramatic performances." The season opened with an action packed, last second field goal victory over Miramonte High School(32-31). The following week, the Cougars ended up on the short end of a 28-7 score to El Molino. The next three weeks belonged to "The Ranch". The Cougars over-powered Analy 16-0, Piner 29-21, and played caught-up football with 1:15 left in the game to pull out another contest, by kicking a field goal with 9 seconds left in the game to defeat Casa Grande 23-21.

The North Bay League season left the Cougars with a 2-3 mark and victories over Montgomery (27-7) and Cardinal Newman (21-0). During the League season, "The Ranch" played Ukiah, the second to last game of the season, for the NBL Championship. With fog hanging throughout the stadium, 4th and 4 on the goaline with 14 seconds remaining in the game, the Cougars came up short and with it went the hopes of the NBL Crown. The season concluded with a 6-4 over-all record, a third place finish in the NBL and many memorable moments of intense, thrilling action packed Rancho Cotate Football-Fine season, Cougars. Best of Luck in the future.

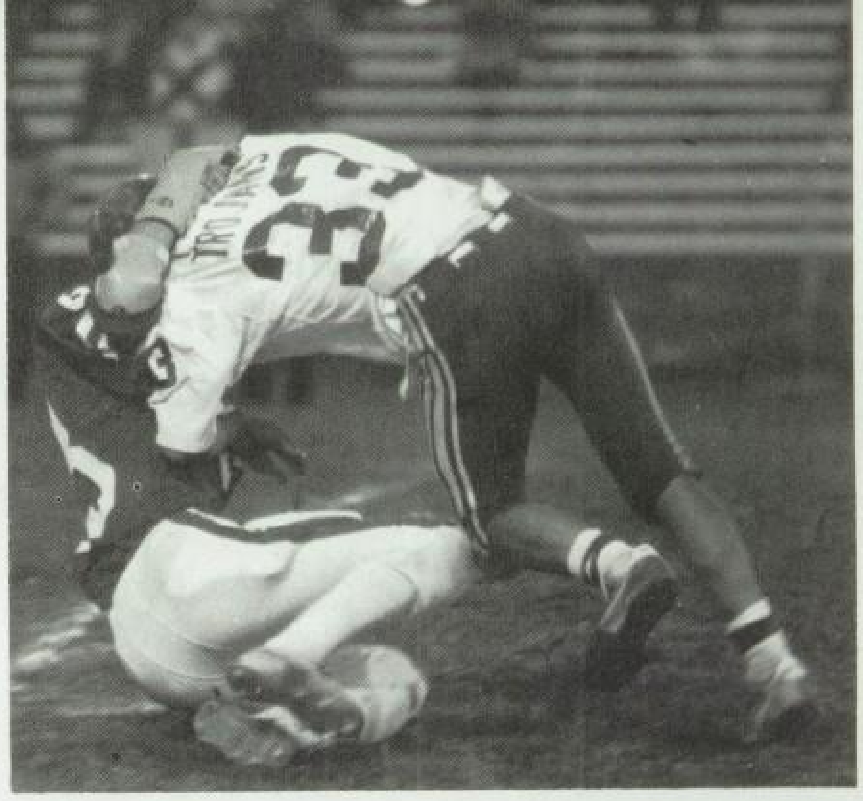
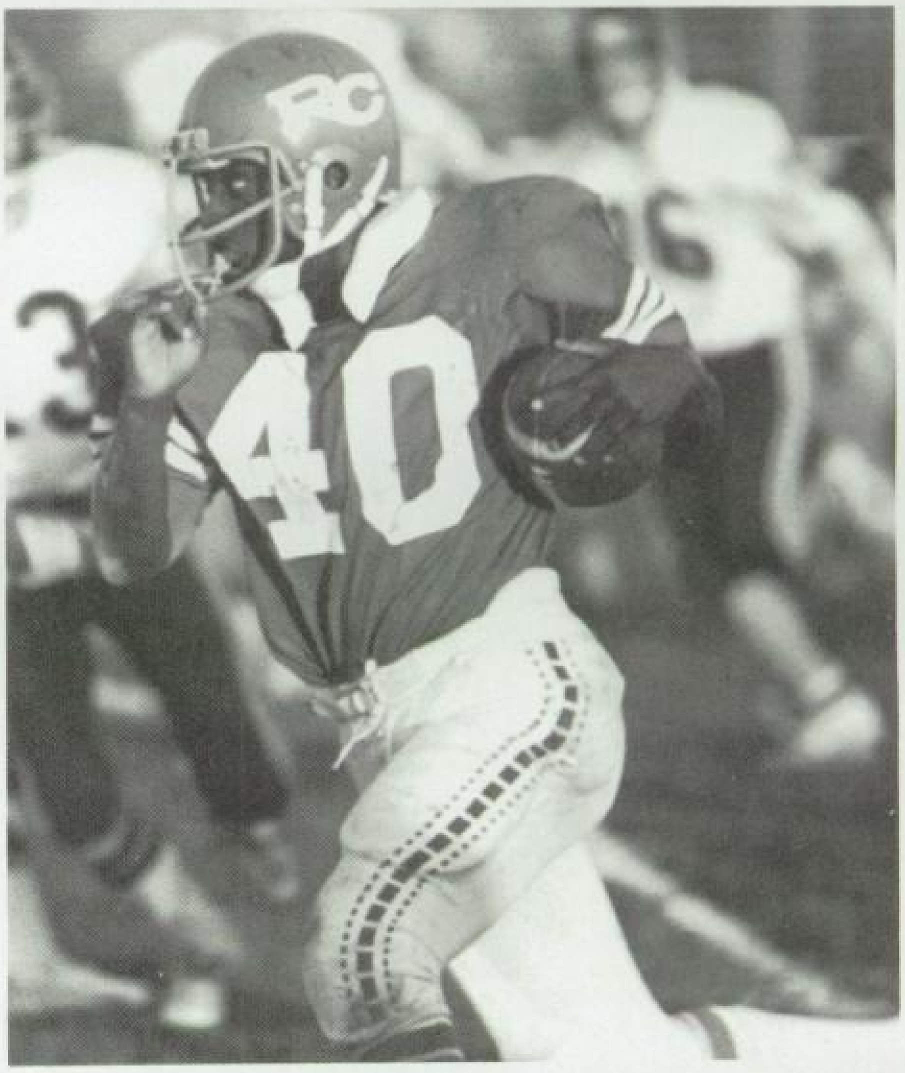
Varsity

J.V. Football does it Better





I watched our J.V. football team practice, I talked to their coaches, Mr. Sarlatte and Mr. Hanson. I was told the J.V. Football team captains; they are Randy Warman (Defense), Jerry Monticello (Special Teams), and Mike Leal (Offense).

The 1980 Cougar Cubs finished with a 6-4 record. In spite of some key injuries, the Cougar Cubs were among the leaders of the Redwood Empire for Offense and Defense. They will send many outstanding players to the Varsity in the upcoming year, something, among others, to look for next year.

1. A Trojan stops Jerry Monticello. 2. David Gilliam gains more yardage. 3. J.V. player is ready for action. 4. Randy Santero trying to avoid a Trojan. Photos by Dora Gossage.

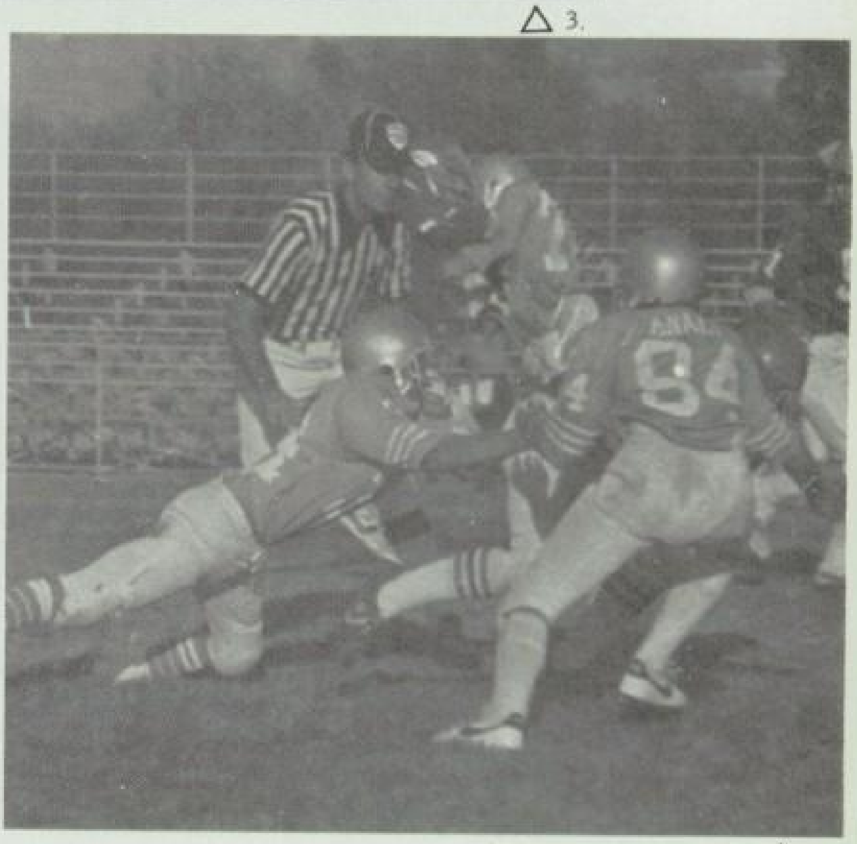
△ 4.



△ 5.

I talked with Freshman Football Coach Dennis Bettencourt. He had this great news to report. The Frosh Football Team this year went down as the 1st undefeated Freshman Team since Rancho has been in existance. Going 7-0 on the season, "The Ranch" team was coached by Dennis Bettencourt and Mike Freitas, On the season, the Frosh scored 155 points. They shut-out 4 teams on the season while being less on defense by Nick Lewis, Al Fortiar, Jim Kim, Steve Miller, and Sid Roberts. On Offense, an outstanding line led by Lewis, Roberts, Miller, Dennis, Guttig, and Rob Rothburn allowed QB Mitch Ford and HG Al Fortier to enjoy exceptional seasons. Averaging 3 TD's a game, the top performer award Jim Kim, Mike Killingsworth and Butch James.

Playing with a lot of spirit and team gripe, the RC Frosh were the class of the Redwood Empire. They played as a am and had a lot of fun and gave Rancho Cotate Football and Students a team they could be awfully proud of.

Junior Varsity

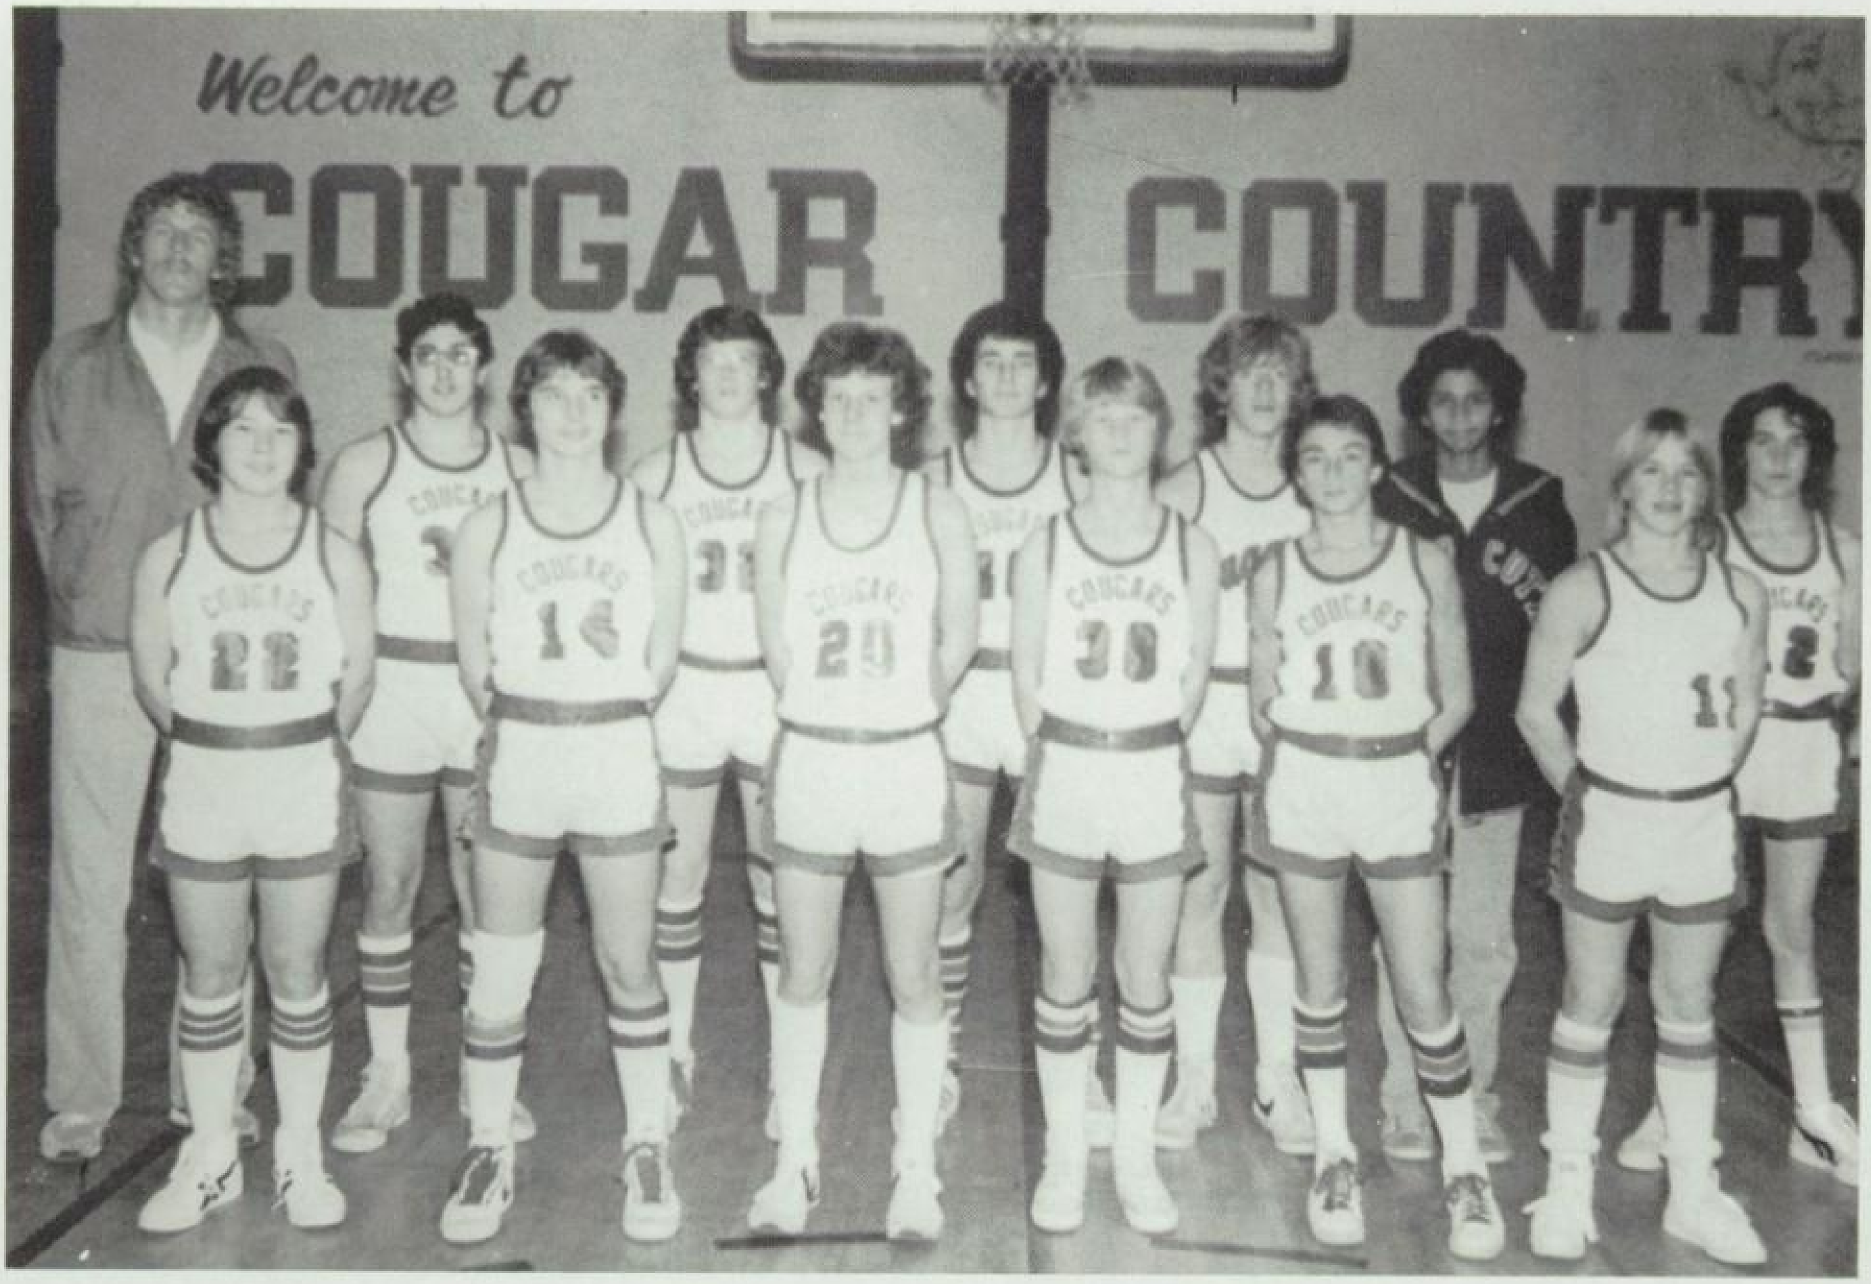
The 1980-81 Junior Varsity Basketball team was small, but quick this year with players like Harold Oden and Mike Pataka. The team did a lot of outside shooting. There weren't as many people who tried out as there have been in the past. The Cardinal Newman team was the toughest team, but all of the other teams were tough also.

1. Harold Oden jumps for two.

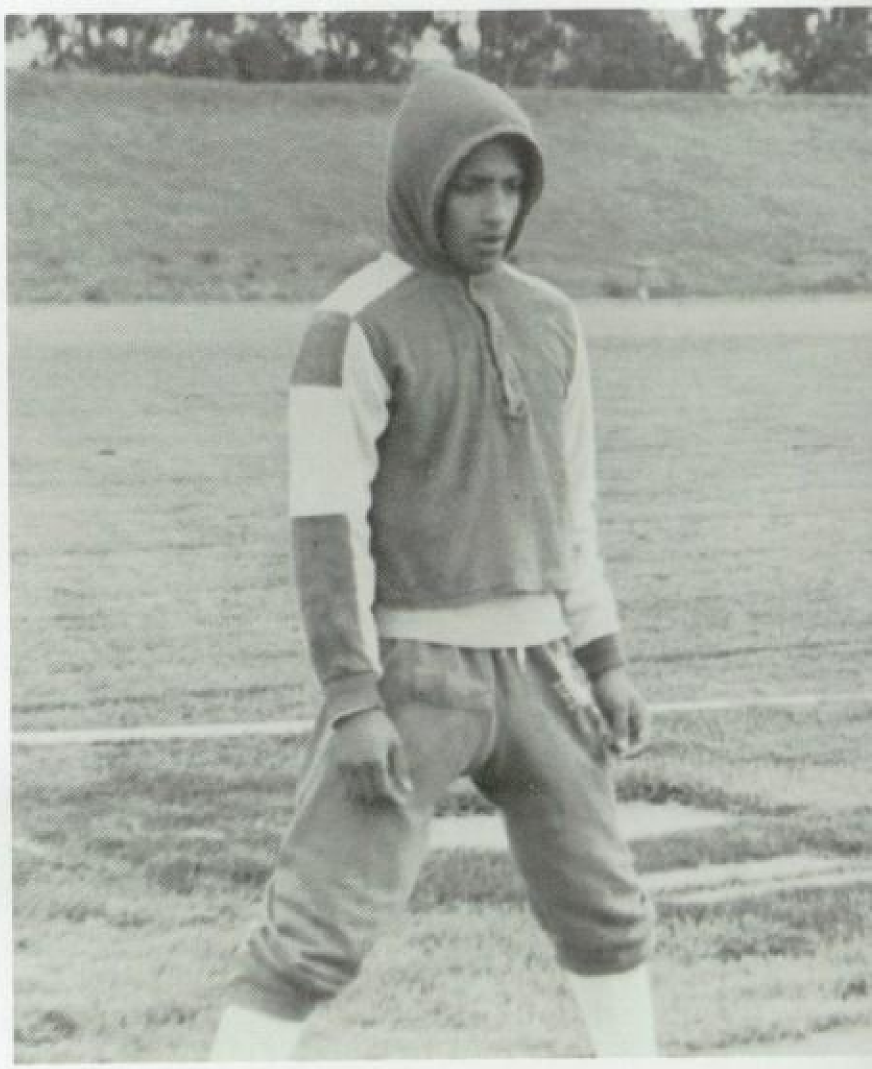
FRESHMEN go winless

The 1980-81 Freshman team had 20 Freshman try out but only 13 were on the team. The team had good defense, but they had a scoring weakness. The two hardest teams were Healdsburg and Cardinal Newman. Better luck next year.

1. Back row; Coach Francis, Dave Ospital, Tim Taylor, Bob Dyche, Greg Walker, Front row; Mike Oleson, Mike Killingsworth, Ted Robinson, Rick Lewis, Dave Sotak, Dean Tucker, Tony Gaulke.



Track Stars Do It On The Run



Wooh! I just saw a blur of speed pass me by. I bet it was a TRACK member. They are the fastest thing on our turf. They are busy energetic people. Guys and Gals all shapes and sizes with one thing in common Great lungs and legs.

They wiz by other schools with a huff and a puff.

Senior Advice to Frosh

Knowing what I know now as a senior the most important advice I could give a freshman is:

Work very hard so it won't be so hard to get through high school. You won't regret it later in life.
Take school very seriously!
Study hard. Attendance is VERY important. Get involved in school sports and activities.
Don't take classes just to get an easy "A", take classes that are going to help you out in the future, and if they're hard, spend a little more time studying.
Take school more seriously, don't goof up. Look at it as a challenge, not a bother.
Stay in school. Study very hard and don't goof around.
Don't let your friends influence the way you think about school.
RCHS is a good school, but they can't decide your future. You have the ball - drop it or run with it.
Instead of doing poorly in the first years of high school, look ahead, plan for a solid or desirable future. It will be very self-satisfying and rewarding during the last years of high school.
Stay in school and do your best to make it easy. Study hard.
Be a good student and study harder to prepare for the real world.
Take studying seriously and push yourself to take advanced classes. Be sure to get involved with sports, student government, social clubs and service clubs. Take leadership roles.
Be serious about school. Don't fool around all the time. Study hard and don't quit.
Stick with it! Get involved, try hard, Study! It gets pretty bad if you don't.
Think about your goal for the future and start taking courses towards it now.
Take classes that prepare you for college if you plan to attend college. If you really try hard, school can be fun and time will go faster. Try and cooperate with the teachers, they're very nice.
Go out for various activities not just limiting yourself to certain people and specific groups.
Get involved with different groups to meet new people. Study hard to get good grades. Think about college now, and look into the requirements and financial aid you can receive.
Stay away from drugs and keep to school work and activities.
Go to your classes and earn your credits so you can graduate.
Study. Take all your classes seriously. Enjoy school while you can and get involved in school activities.
High school only comes one time in your life and it's over before you know it.
Get spirited and don't be afraid to be yourself. Do what you feel is right.
Take total advantage of your school activities. Get involved. Study! Don't fool around.
Study! Work hard! It's really worth it in the end! Start planning to go to college immediately.
Study and take all required classes and get good grades in them. Since you have to go to school you might as well enjoy it. Become involved in our school.
Take school more seriously, stick it out and try to learn as much as you can.
Have a great time in high school because when you're out it's more school or work.
Go to all their classes every day. Work in class and don't mess around. Do good work and be proud of it.
Appreciate the education they can receive by taking real classes.
Get work done as Freshmen, Sophomores and Juniors. Start having fun in school as a freshman, don't wait.
Take your work as seriously as possible. Get all your required classes over with and don't fail them.
Make sure you have a lot of fun these four years while you can.
Don't mess around! The rest of your entire life all starts here in high school.
If you plan on continuing school and succeeding in later life, start studying now.
Enjoy yourself, do all your work and don't fail. Study hard and don't mess up.
Study hard. Take school seriously. Study your pants off; take all your hard classes earlier in the day.
Get your studying done before you do anything else. Pay attention in class. Be organized.

Work hard and don't fall behind but enjoy your high school years!
Don't mess around in your first 3 years, save the last year for fun. Keep your grades up.
Take this chance and use it. Don't bluff your way through, cause you can't go back and do it again. Later will be too late to take the classes you needed.
Don't be afraid of trying your best and don't cut. Make going to school a habit.
Don't cut, it could hurt you later; study, don't get busted for anything.
Always get a top locker and always do your best. Love your school and all those around you.
Study, take work seriously. Have a good time and do what is best for YOU. Don't be lazy.
Take all the hard courses and try to get a GPA of at least 3.00.
Try to create a balance between your social life and academic life; don't ignore one for the other.
Grow up and take school seriously. Take advantage of this opportunity to learn.
Take all of your hard courses in your Freshmen and Sophomore years.
Concentrate on your work and don't let friends get in the way of YOUR progress.
Get a parking permit. Pick up good study habits, and take classes that you can benefit from.

△ 2.

i Our Cross Country Team inspired me. There were many inexperienced runners on the team this year and yet they ran their hearts out. It was wonderful to watch them grow and improve.

Coach Lombardi agreed that there was great improvement through the year. adding that the three Seniors graduating; Chad Empy, Mike Holberg and Erin Dawson, were "a great contribution to Rancho Cotate's Cross Country team."

Team Captain was Mike Holberg. The most valuable team member was Bill Fuller, who finished and worked so very hard. Most improved player was Jaime Llopis, and the most inspirational was Erin Dawson.

1. Bill Fuller smiles at the camera. 2. Mr. Lombardi shows the team records. 3. Erin Dawson laughs during her break. Photos by Dora Gossage.

Wrestlers go for Championship

When I talked to Coach Hansen he said, "The score at this time is 7 & 2. The year should end with 11 & 2 or 10 & 3." Mr. Hansen expects to finish first in the league.

I went to a match on January 14, 1981, and it was so exciting. The score was 63 to 12, Rancho Cotate won, of course.

The team in 1981 consisted of mostly young wrestlers. a lot of 10th and 11th, and two 9th graders.

Mr. Hansen said, "The most outstanding seniors were: Mark Soto, Greg Swenson, Steve Mejia."

"The Wrestling team will be able to represent the Ranch in the tradition it's used to." says Coach Hansen.

Varsity Girls sink It

This year's 1981 Girls Varsity and Junior Varsity had a rest season in the beginning. The Varsity returners were Lynette Colter, Connie Martin. There were 50 girls who tried out for the two teams. The Junior Varsity team had a new coach this year who was Jerry Shimazu. There were 11 girls on the Varsity team and 10 girls on the Junior Varsity team. The girls played a lot of inside games and were sometimes inconsistent.

△ 1.

△ 2.

1. Jamie Llopis smiles at the camera while counting the money.
2. & 3. Possible future volleyball team?

Did you see the Volleyball team in action this year? I did. By watching them I could see their secret of success is team work. The J.V. and Varsity teams both practiced 2 ½ hours a day, five days a week. All that practice paid off in the 1981 year.

The J.V. team was highly successful. The league records were 9 and 1, and over-all records were 19 and 1. The J.V. team tied first for NBL League. Varsity had 1 and 3 lead- 15 and 8 over-all.

The "Coaches Award" for "Most Valuable Player" went to Theresa McKeever. "All Around outstanding Player" was Deanna Bacigalupi. "Most Improved Player" was Wendy Whitlock.

The Varsity Coaches Awards went to Lynette Colter, for most valuable player, Melissa Linder, "Most Improved" player, Edna Kayler, for "All around outstanding settings.

Aileen Fredricks received "Most Inspirational."

1

I heard the major goal of this year's girl's softball team was to start rebuilding the program here at the Ranch.

And that the emphasis was on making the softball experience fun and rewarding.

Also fundamental skills were taught so that in a year or two Rancho Cotate will be competitive with other schools in the league.

The immediate goal was to improve on last year's 3-win, 15-loss season.

The 1981 team was young and generally enexperienced, since only four players returned from the previous varsity squad.

Two of these girls, Mindy Haydock and Michelle Mandefell were among the best-hitters batting .350 and .321.

The other girls looking good in the preseason included freshmen, Wendy Huges, and juniors, Jeanette Ospital and Mary Shouse.

2

Ranch Varsity Golf Team

1

This is your roving reporter with another great sports scoop. Recently I went to the Mountain Shadows Golf Course in Rohnert Park. I was thoroughly amazed when I saw our "Ranch" golf team practicing hard as ever for their up-coming tournament. I talked to the team's coach, John Gulbransen, and he told me that this was going to be one of their better seasons. Well, after seeing them in action, there's no doubt in my mind that they will be definite WINNERS.

Freshman Officers

I heard that the Freshman class is selling See's Suckers. Keep those money raisers going!

After many losing years the Freshmen finally have the spirit stick back from the Seniors.
They won the Spirit Stick in the Fall Spirit days. The Freshman class has put a lot of effort in making the class of "84"something to remember.

The Freshman class advisors are Dave Francis, Mike Francis and Chris Peterson. They are a great help to the Freshman Class!

1. Freshman Officers: Vice-President Kim Gieide, President Lisa Uhl, Treasurer Sheri Keyes. Not Pictured; Dean Tucker. 2. Senator Clausen talks with students on campus.

CLUBS

I saw the Pep club the other day in its entirety. What a large, vivacious group of people. They have so much energy. They've raised money for rooters bus and to get sweaters like the cheerleaders have. I hear the cheerleaders and the would be cheerleaders have a great time at the games. You can't miss them they're the noisy funloving crowd!

Art Club

I heard the art club is planning a mural for the rustic room in the library. How neat. They are a talented group of people led by MS. TESELLE and JOEL BENNETT our artist in residence.

The Art club ready for Action.

Prism

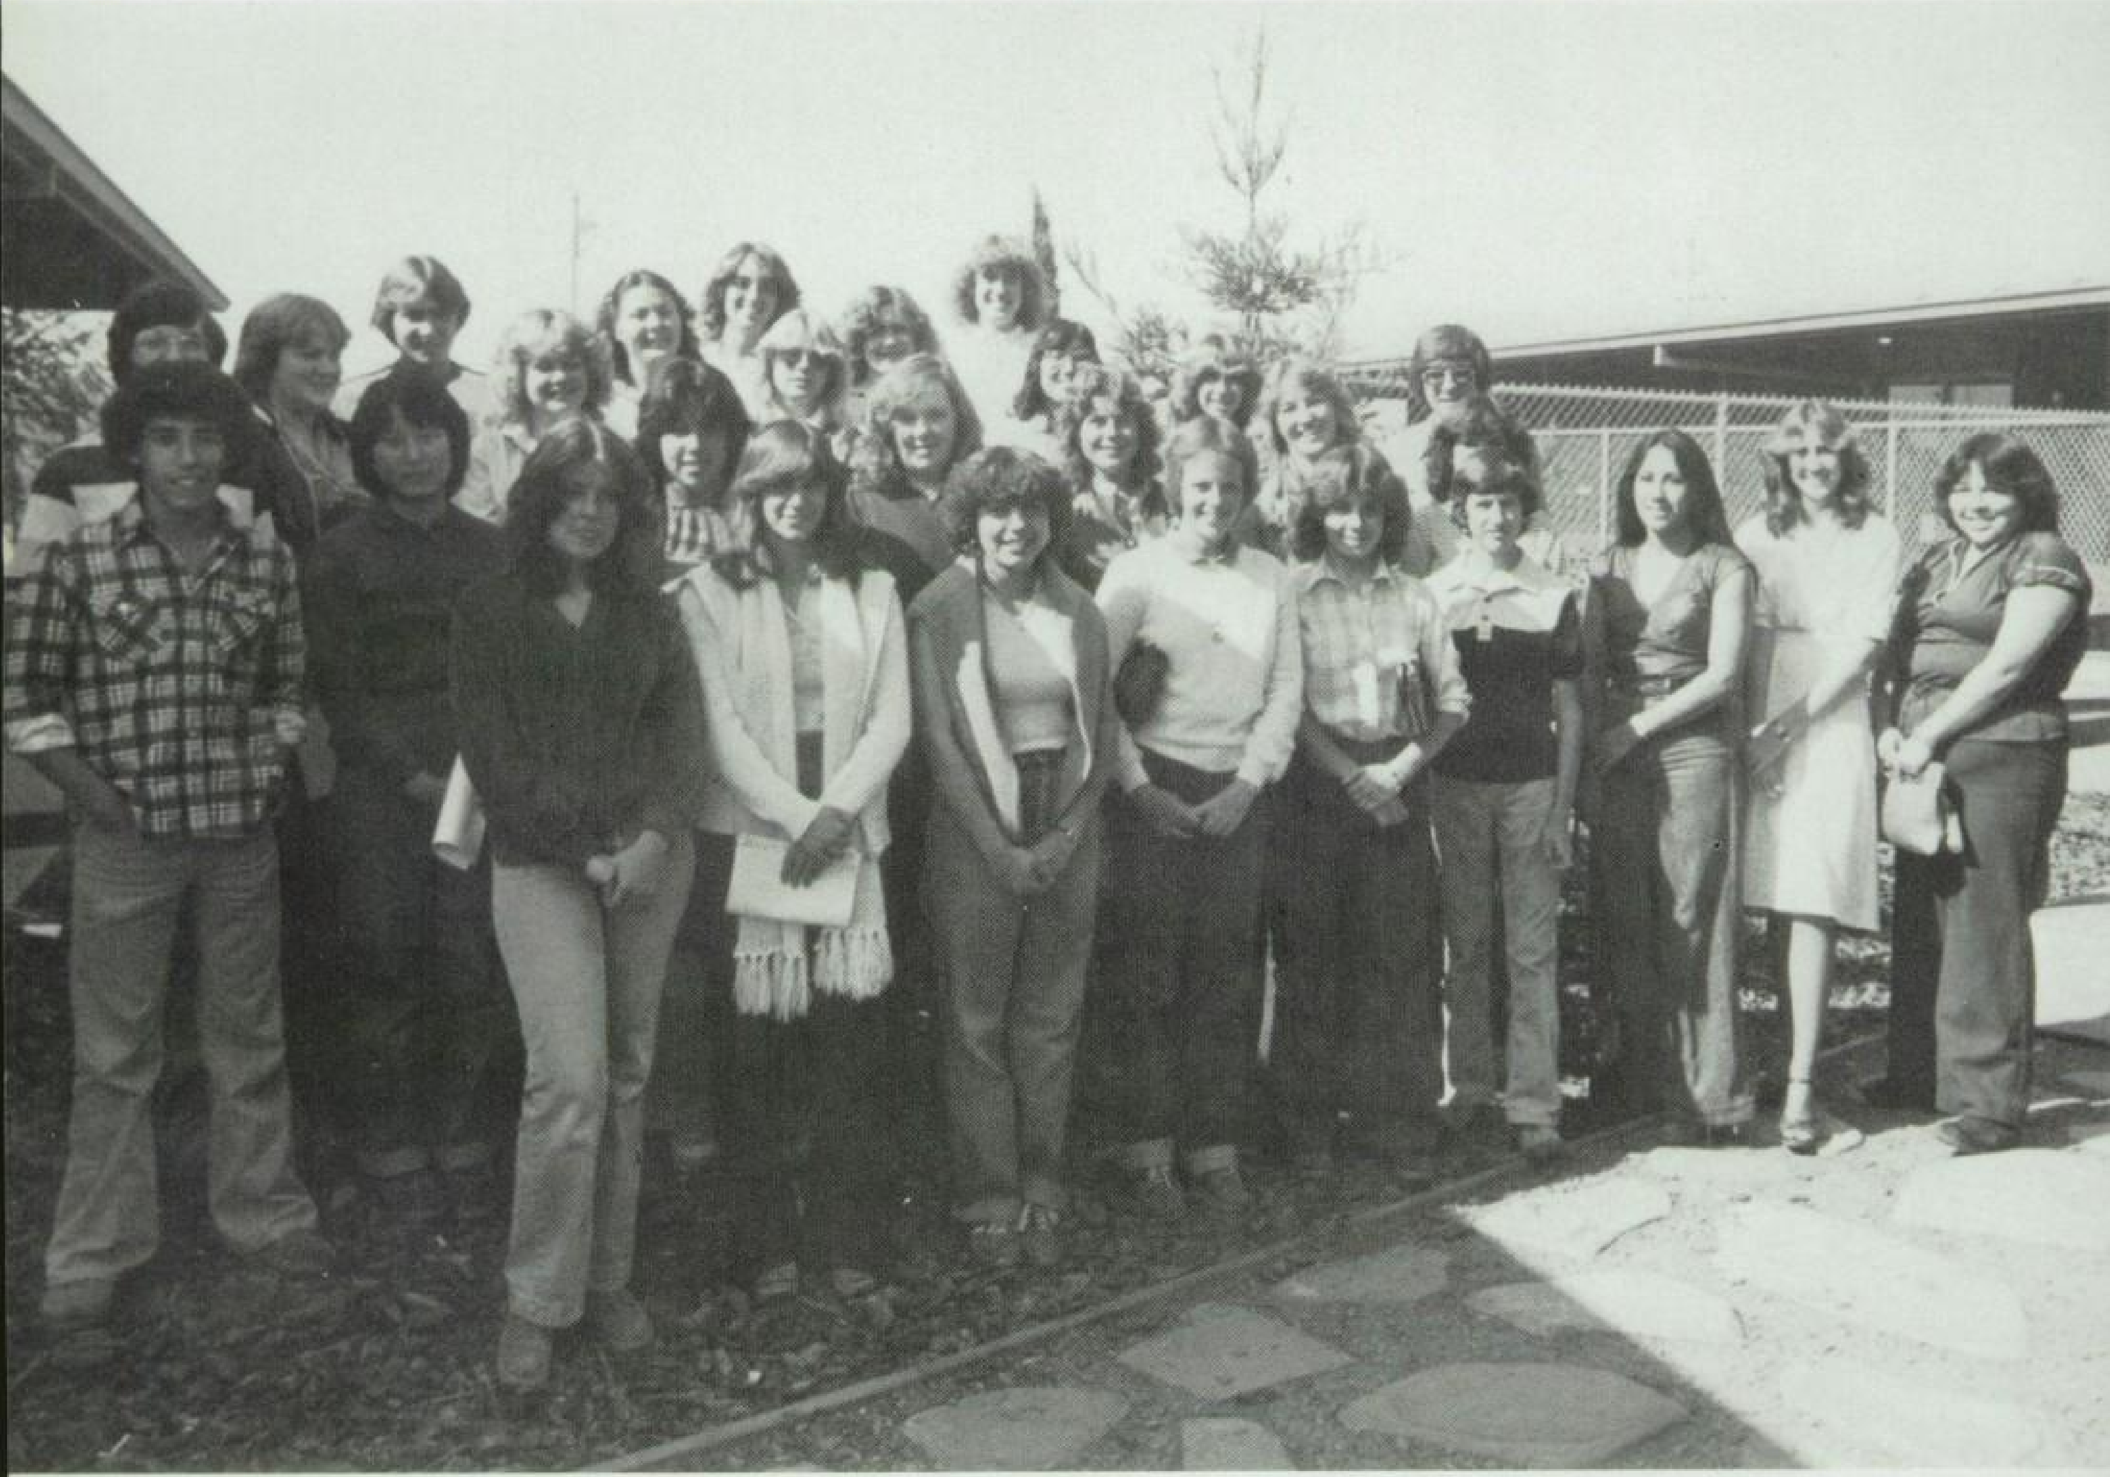
I went to a prism meeting, its a small group, but very determined. Putting together a magazine is no easy job, but they get the job done led by MS. LAVOIE. Three cheers for the Prism staff!!

Prism staff studies work thats been turned in.

Key Club

One of the outstanding clubs on campus this year is the Key Club. I found out that the Key club is a service club that serves both the Community and the school, and is sponsored by the Redwood Empire Kiwanis Club. I went to one of the major projects they held. It was the third annual dance-a-thon for Muscular Dystrophy. The dance was fantastic!Every two hours the music would be different. They also changed clothes to fit the music. One of the 2-hour segments was square dancing.

The officers of the Club are: Petra Beyer (President), Lisa Parker (Vice-President), Melanie Lothe (Secretary), Vincent Marello (Treasurer).



Key Clubbers: Right to left; Marice Chasco, Leslie Bell, Angie Tapia, Tony Medi, Cathy Decker, Patty Englesguard, Shawn Nathan, Pitz Tosches, Mitzi Tsujihara, Cindy DuPar, Melinda McKeever, Susan Simpson, Lisa Parker, Vincent Marello, Loretta McCann, Mario Mediati.

SPANISH CLUB

This year they went to the Grench Club's hot-tub party on Halloween. It was a lot of fun. They had a lot of fund raisers to bring up their treasury. They had Bake sales, candy-grams, and a bowl-a-thon. Most of the money was spent on their annual trip and then out to dinner to a Mexican restaurant.

Members: Kim Morses (President), Leslie Jones (Secretary), Renee Ripperger (Vice-President), Chris Beckett, Vincent Marello, Naomi Toyoda, Arianne Eskew, Jim Reese, Jeff Edwards, Michele Swenson, and Ms. Marshall (Advisor).

C.S.F.

The California Scholarship Federation is a statewide organization. The purpose of the federation is to stimulate interest and pride in high standards of scholarship and to encourage further education for highly qualified young people.

Members: Jenny Ballard, Margie Laske, Dianne Werner, Andrea Berry, and others.

K-Jam

We all know about K-jam and all the great music that entertains us at lunch, but do we know the guys that keep it rolling?

Doug Hopley is the K-Jam Station Manager and the Rock and Roll Disc Jockey. He prepares the equipment at lunch, draws up the weekly schedule and makes sure that there's a variety of music played during the week.

Mike Ray is the Soul Music Disc Jockey and Uwe Leuthe the Yard Rock Disc Jockey. Although K-Jam didn't have a Country Music Disc Jockey, they make sure to play some during the week.

K-Jam also takes in requests. They'll play it if they have it, if not you're welcome to bring in your own music.

K-Jam's music gives us relaxation and enjoyment that I'm sure we all appreciate. Thank you!

GRENCH

Grench Club, a combination of German and French students, meet weekly with Ms. Beltz. While in attendance at one of their meetings, I heard the members discussing past and future events. They talked about Christmas Caroling, a Halloween Costume Party, their French Club Flag and much, much, more!

1. Doug Hopley operates K-Jam. 2. Tracy Tillman and Steve Hager look into the camera. 3. French Club, Top row: Nancy Lee, Arlene Fistel, Cindy DuPar. Middle: Sara Schultz, Sarah Duncan, Ruth Withrow. Bottom Row: Bonnie Johnson, Susan Simpson, Marcie Chasco, and Ms. Beltz, Advisor.

3

Conselors and Friends Unlimited have been going strong for 6 years now. If I ever needed advice or just someone to lend an ear, a person who cares, I would go to the Peer Counselors. They do so much for the good of the students on our campus. They have trained knowledge on all subjects that teens go through.

To learn they meet twice a month and often attended field trips to drug abuse meetings and conferences. You can be assured that any problem you take to them will be kept confidential.

Many other schools in Sonoma County have similar groups. Rancho Cotate's Friends Unlimited is very well known throughout Sonoma County.

Keep up the helpful needed work!

Jeff,
It was fun having you in Kite's class this year. Have a great summer. See you in Sept. Keep in touch 664-8446
Luv ya lots
Sharol Champagne

Paw Prints

News Flash: Rancho Cotate has a newspaper again.

BSU

Black Student Union is in the swing of things.

Speech

The Speech club coached by Mr. Davis has been going on for 6 years now. The Speech Club is a group of students who give speeches competing with different clubs.

The members can pick what kind of speech they would like to do on a given competition. The types of speeches are persuasive speeches, speeches to inform, impromptu speeches, dramatic and humerous speeches, programed readings and poetry readings. This year the Speech Club competed in Eureka, Crescent City and other clubs such as the Lions Club.

Rancho Cotate was the host this year for the State League Championship, held March 21, 1981.

This year Mr. Davis is teaching a Speech class for his first time. Good Luck!

Paw Prints in the Rancho Cotate News Paper that is put out every month.

The Advisor of Paw Prints is Ms. Caviness who advised Paw Prints for 2 yrs. 4 years ago.

We haven't had Paw Prints for two years because of lack of money. Putting out a newspaper can be costly but when Paw Prints does put one out the cost is well worth it.

The Editor of Paw Prints is Andrea Berry along with a dozen Staff workers.

Paw Prints meets every Monday at lunch. They decide, as a group, what events and stories RC students would be interested in. After receiving a budget from Mr. Dagget they planned activities to raise money. One activity they participated in was the Spring Book Fair, which members helped out on selling books.

If anyone has written an article on an event they are free to present it to Paw Prints and possibly have it printed in the Rancho Cotate Paw Prints.

I am along with others very proud of the Paw Prints Staff for working hard to put out a News Paper regarding events happening in Rancho Cotate.
Thank You!

For the sake of those who don't know, the BSU Club is the Black Student Union Club.

BSU has been going strong for 4 yrs. now. It was started by Mr. Sarlatte, and Mr. Bettencourt. BSU was organized to get minority students together. Everyone is welcomed to join this club.

BSU puts on an annual fashion show and dance. This year it was held March 14. Since 1979, BUS has attended the BUS California State Convention. This year the convention was held in Fresno CA, May 22-24.

The Club is still young, and they hope to attract many more students.

Sophomore Directors

I just found out about our sophomore officers. Our President is Lisa Bird, Vice President is Jill Pekkain, Secretary is' Lisa Fernandez, Treasurer is Debbie Eagan, and our Sophomore Representative is Barbara Todd. They are really on the ball trying to raise money for the prom. They've made the most from working on the concession stands at the football games, and through the sales of candies. They have also had, I found out, car washes, tupperware parties, and button sales to raise more money. When I talked to Debbie Eagan, the class Treasurer, she said, "The Sophomore class spirit wasn't outstanding this year, but look out next year because we're moving up!"

1. Lisa Olivares taking in the sights. 2. Pictured left to right: Debbie Eagan, Jill Pekkain, Lisa Fernandez, and Barbara Todd. Lisa Bird is not pictured.

JUNIORS

CLASS of 82

Photo by Paul Lyon.

Juniors Do It Right

"See's suckers, anyone?" Go see a Junior!" They sold See's suckers, carnations, and arcrylic ornaments, among other things, in order to create the fantastic Prom this Spring.

They're really getting the party mood-they sponsored the Homecoming Dance and the Sweetheart Dance. The party training paid off. The Prom was wonderful!

The Junior class officers are: Paula Nielson as Treasurer, Janine Voets as Class Rep., Cori Freedman as President, Missy Bernardi as V.P., and Jeannie Silva as Secretary.

Band Strikes Up Again

1

1. Majorette Chris Thorne shows us how hot she really is. 2. Banner holders, Cindy Christensen, Tammy Faherty, Ede Gien, and Kerin Hunt, let the opposition know who has the best band. 3. Flag members, Edna Kayler, Robin Haines, Cindy Ashby, Linda Clewwell, June Stuckey, Chad Dietz and Robin Hunt, show the true colors of the Ranch. 4. Cole Walker pounds out the coming of the band.

RANCHO COTATE HIGH SCHOOL BAND

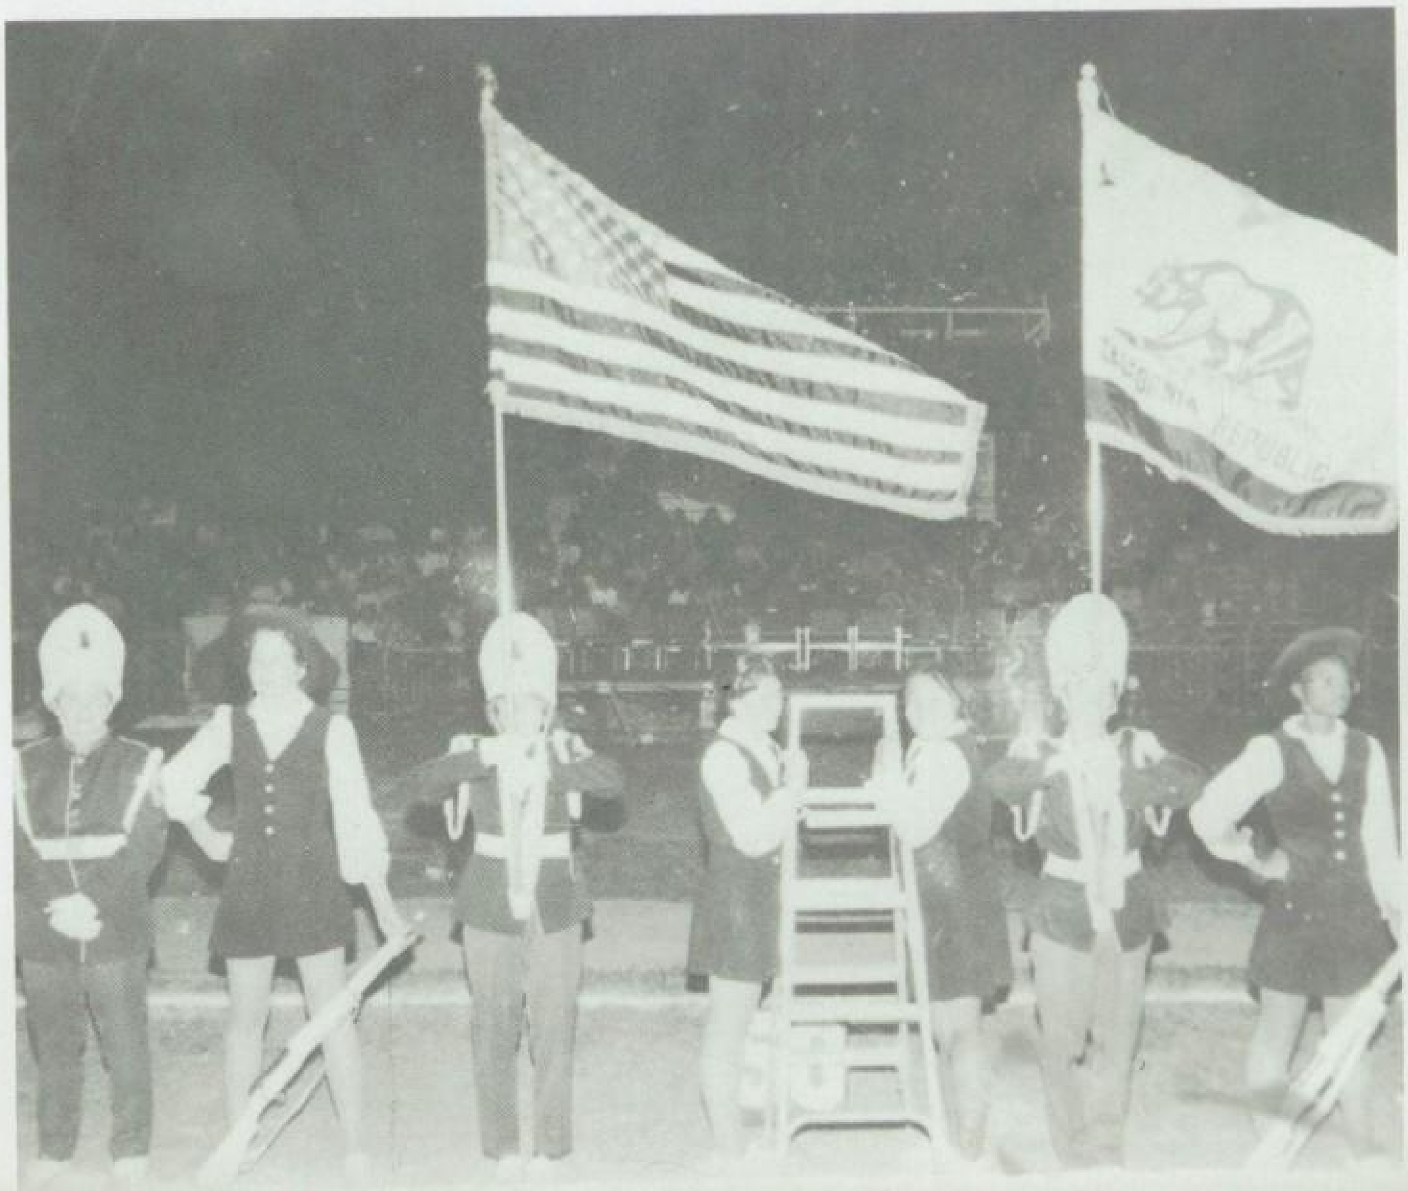
2

3



CALIFORNIA REPUBLIC

4

1

2

3

1. Rick Voets, Liz Domingues, and Lynnette Armstrong keep the beat. 2. Flag girls, Leshia Burns, Bonnie Wisley, Robin Hunt and Drum Major, John Peters, and Drum Majorette, Paige Collins, present the band. 3. Our band marches out to support our great football team.

Have you heard about our great band? It is one of our most active groups on campus. The band members all work very hard to raise money so they can go on their many excursions.

Some of their many fund raisers are selling candles, candy canes, M&M's, and almonds. They have also held a Spring and Christmas concert. They have attended the Santa Rosa Parade, and the Ukiah Band Review. They have also attended the Sacramento Parade.

Our band works very hard in class 4th period and at different times before and after school when getting ready for a performance. Our band is also led by the one and only Mr. Jerry Wright.

Did you know we also have the best flag girls? They work very hard and they add a little bit more class to our band.

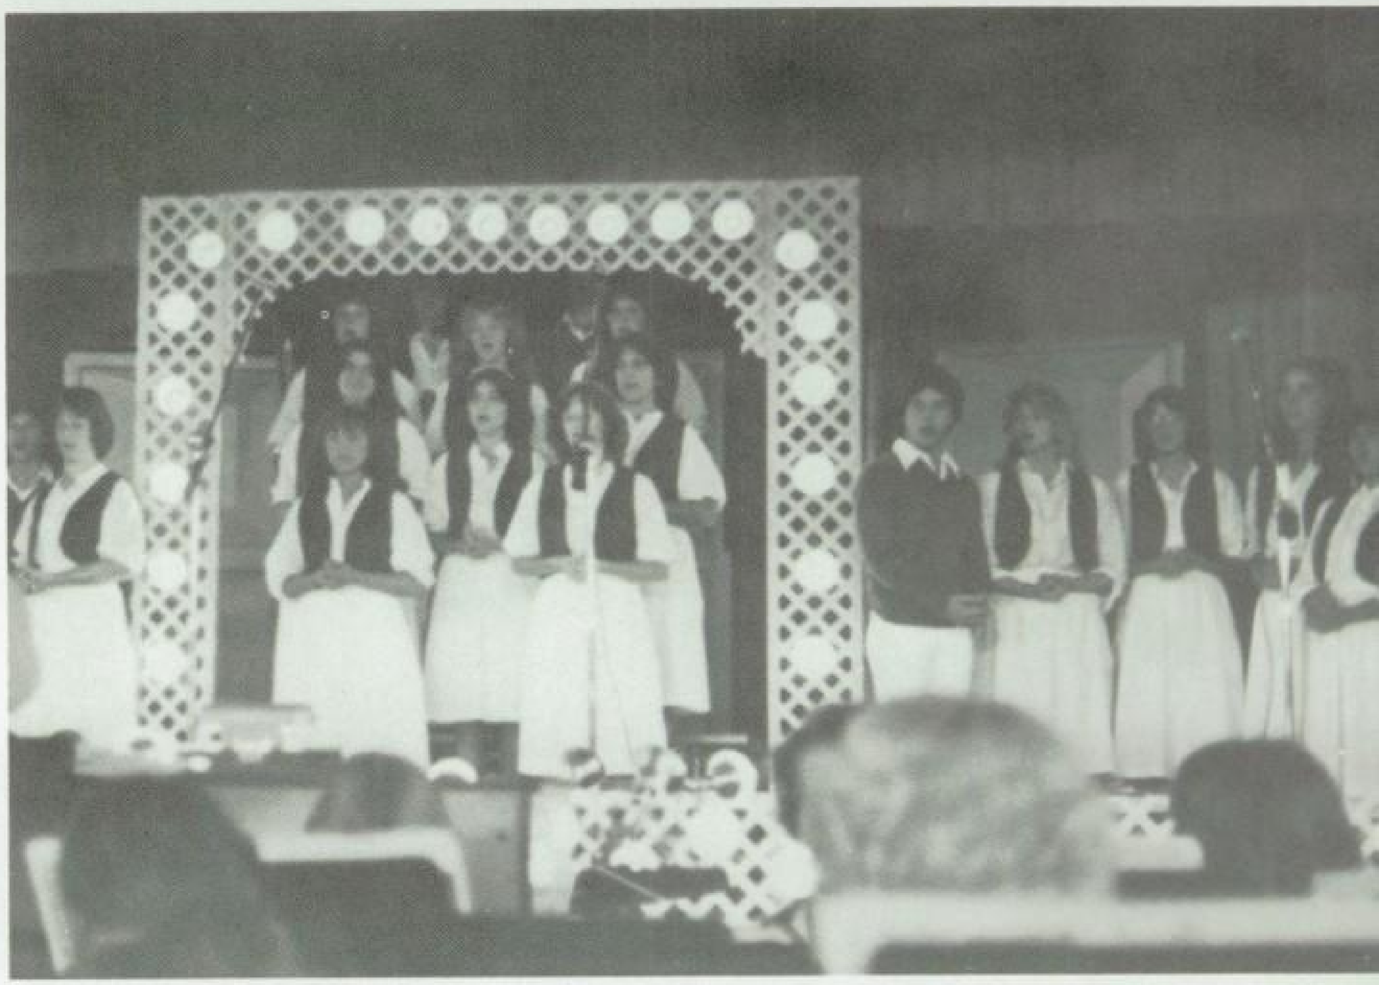
There are two other people that give a little sparkle to our great band too. They are Drum Major, John Peters, and Drum Majorette, Paige Collins. They both do a great job of keeping our band on the right beat.

The flag members are: Captain, Bonnie Wisley, Cindy Ashby, Leslie Bell, Mary Louise Badal, Leshia Burns, Cindy Christensen. Linda Clewwell, Chad Deitz, Patte Englesgard, Tammy Faherty, Edy Gien, Robin Haines, Charlene Pope, Cheryl Slechta, JoAnne Sowash, June Stucky, Kim Whitten and Teresa Evans. Congratulations on the good job they do.

Christmas in Concert

Well, here I am, your roving reporter with another hit scoop. Recently I attended the Christmas Choir Concert, and was it a hit!

Standing room only. The attendance was greater than any other past event. And if there was a choir that brought me back home to the snow country, it was this one. Popular Christmas songs were sung by a spectacular student choir. Let me hand it to you, Mr. Wright, you have definitely out done yourself this season!



Singers: Joanne Sowash, Tina Moody, Danell Chaddock, Leslie Bell, Cindy Christensen. Andriana Valerino, Debbie Dressing, Alecia Varner, Gloria Ospital, Robin Haines, Marlene Gunderson, Andrea Wright, Doug Hamelin, Gina Moody, Veronica Henderson, Rick Voets, Tracey Gregonis, John Peters, Glenda Kreun, Melody Whitmore, Laura Rodeick, Naomi Toyoda. Jerry Wright. Not Pictured: Glen Mitchell.

choir

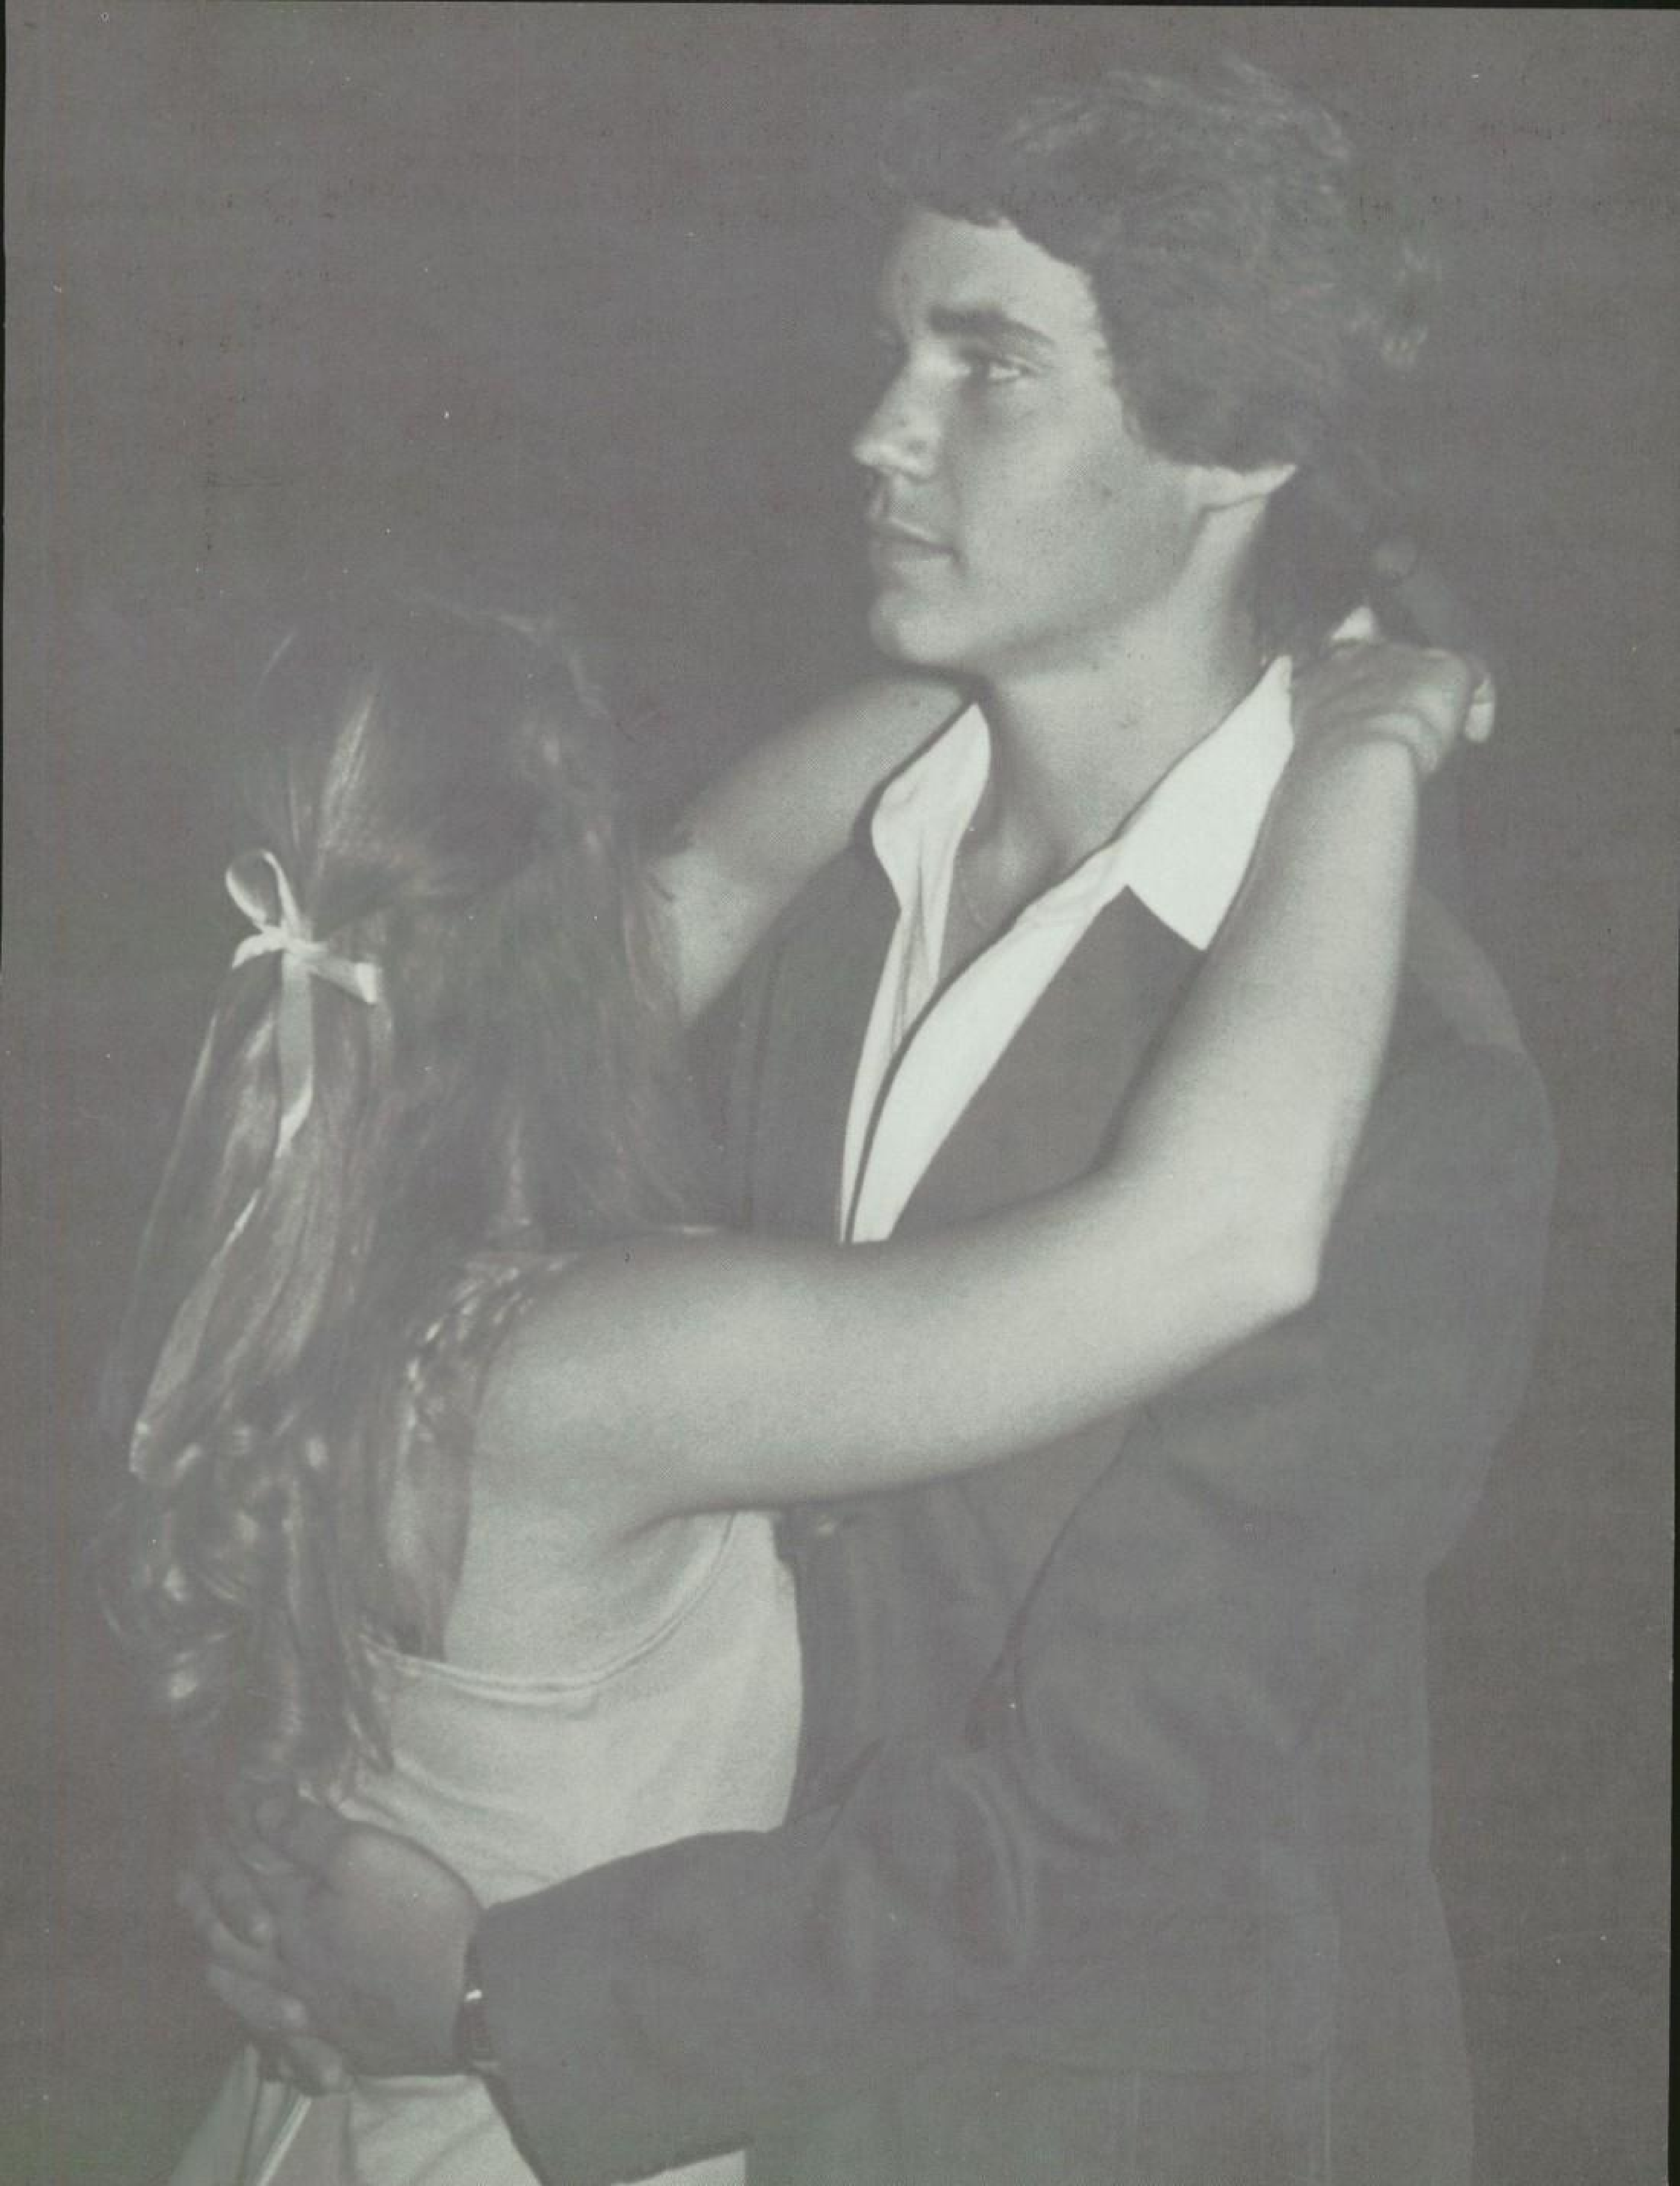
Tell Me That You Love Me Junie Moon

Wow! This season I attended the fall production presented by the "Ranch" Drama Department. The production of "Tell Me That You Love Me Junie Moon," was the tear jerker of the season. Performances by the entire cast were unsurpassed. Never has a past drama production had such impact on an audience. I would like to praise the performers for their outstanding portrayals.

The spring production of "Scapino," was the comedy of the season. It was another excellent piece that credits the Drama Department again!

Cast-Junie Moon; Shawna Nathan, Arthur; Jeff Cook, Warren; Tim Rodriguez, Minnie; Leslie Bell, Dr. Kirland; Darrin Furtado, Miss Holt; Laurie Giem, Miss Oxford; Jamie Lawson, Gregory; Leslie Bell, Sidney Wyner; Carlos Alicea, Marilyn; Hillary Clipner, Goren; Tom Henderson, Mario; Gary Furtado.

ACTIVITIES



Spirit Daze

1. Hail! Hail! The gangs all here!
2. Who's Driving?
3. Here's looking at you Mike . . .

Spirit Days at the Ranch was favored by blue skies and spirited Ranchers. The theme, Western Days, was Wednesday, October 15, 1980. We started the festivities off with a casual country dress. Throughout the days each class worked (and played) for points, and the class with the most points won the "spirit stick." Spirit Days was enjoyed by everyone. The total amount of points gave the Freshman Class the number one title. This was the first in the history of The Ranch that the Freshman won. They won by seven-and a half points over the Seniors. Congratulations, Freshman!

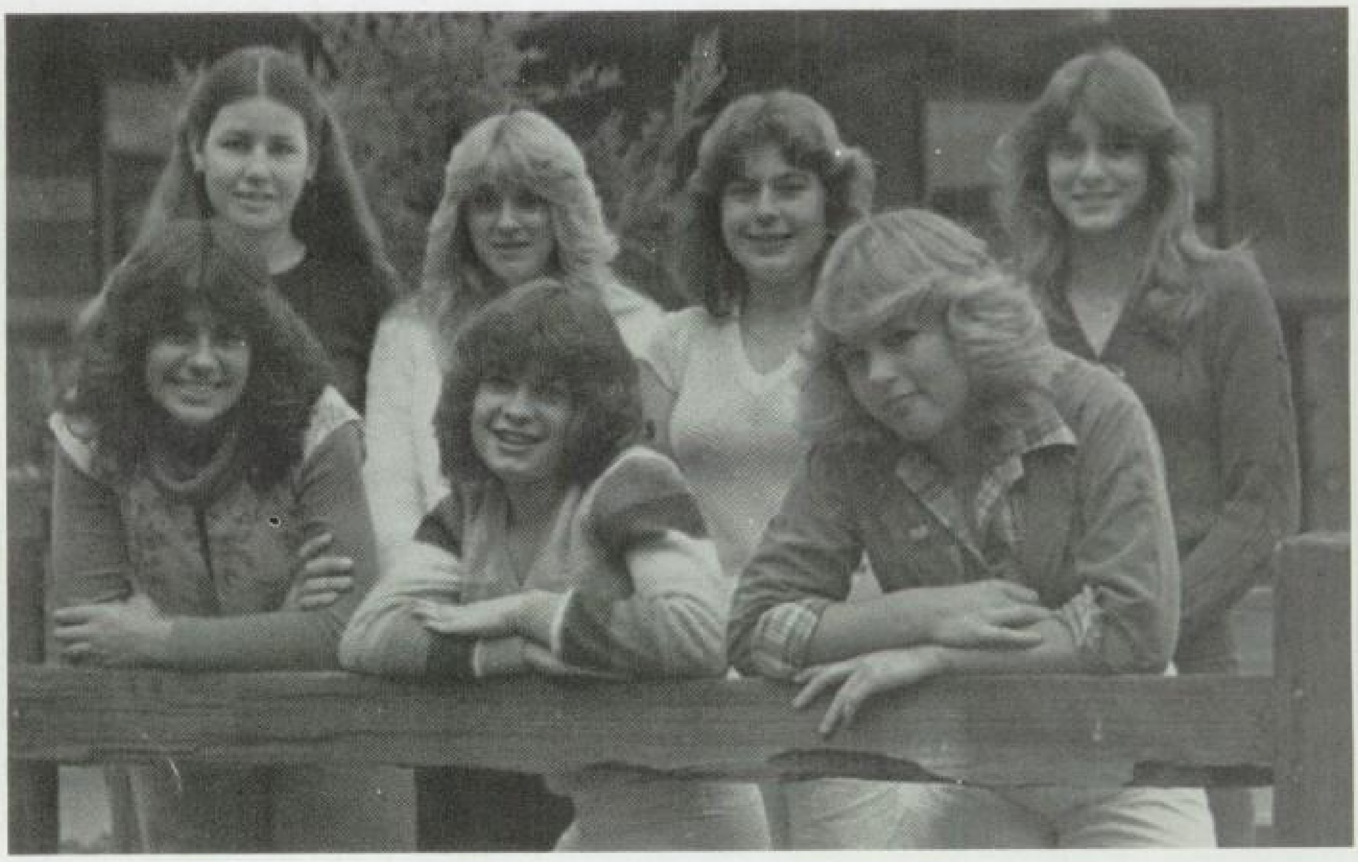
RC

Hearts

of 81'



Every year during Basketball season, club members vote in Sweetheart queen candidates and princesses nomonies.

Above this copy is a picture of the four Queen nomonies and each princesses voted to represent their class. The list is as follows, top to bottom row. Queen Candidates were Patricia Burt, Laura Robins, Petra Beyer and Evonne Wallace. The Sweetheart Princesses are Cheryl Ciociolo (Junior), Barbara Todd (Sophomore), and Wendy Hughs (Freshman).

February 27th was the night our RC Varsity and Junior Varsity Basketball team played Ukiah, which our Varsity team won. It was also the night the 1981 Queen of Hearts was announced. Suspense filled the air as Lori Fisk was opening the envelope containing the name of RC's Queen of Hearts. Finally the name was announced. The 1981 Queen of Hearts title went to Laura Robins. The look on Laura's face was complete astonishment and joy.

I and students of RC would like to congratulate Laura Robins. She well deserves the title of the 1981 RC Queen of Hearts!!

Sweetheart

WHIP 'EM

Rancho Councils Work Toward Improving School

1

Student

Council members worked very hard this year. As President, Lori Fiske took hold of the reins of leadership and led us into a greater warmth and appreciation of each other. Communication was better. A newsletter was introduced, a secret pal teacher group was initiated, which the teachers just loved. Efficiency of organization, responsiblity toward meeting student interests and needs, and school climate has been just some of the main focuses of the members. I am impressed, they have done a great job. Let's congratulate them! Their advisor is Mr. Alton.

1. The happy, hard working, involved Student Council members are: Stephanie Hadaway, Dan Hermans, Lori Fiske, Joni Uren, Jannell Pekain and Patricia Burt.

2

Site

Council won a planning grant this year for a School Improvement Plan (SIP). The focus of a SIP is on the student and the major goal is to promote competency—both minimal and beyond to excellence according to ability—in a wide variety of basic, academic, intellectual, personal social skills and abilities.

If, after this planning year, the State decides to continue to fund SIP, RCHS will receive grant monies each year through 1987. Our Student Reps are imaginative and involved through the process of planning. They need our input. Any comments, concerns or questions? See Lori Fiske, Petra Beyer, Kelli Russell, or Bonnie Johnson.

3

2. Site Council members review the Panel performance presented in Sacramento to vie for Planning Grant monies. Panel members were Mary Hermans, Mr. Daggett, Ms. Nelson, Petra Beyer, and Lori Fiske. Foreground: Mr. Daggett; l. to r.: Mr. Francis, Mr. Dole, Ms. Kayler, Mr. Pedgrift (visitor), and Ms. Nelson, (3.) Mr. Foster, Ms. Wallace, Mr. Severson, Petra Beyer, Lori Fiske, Ms. Blaylock, Ms. LaVoie, and Bonnie Johnson. Foreground: Mr. Brock. Not pictured: Ms. Ballard, Desiree Hall and Kelli Russell.

Working "9 to 5" and more!!

Drawing, 1st-Ellen Nelson (Best of Show), 2nd-Scott Garland, 3rd-Chad Empey, Honorable Mention-Randy Hedlund.

Sycamore Park Springs Forth

The big event over by the new portables this year has been the development of Rancho's new Sycamore Park.

A mural was designed for the south wall of the mini-gym and painted by the Commercial Art classes.

The brightly painted Cougar Country mural faces the new portables. At 8:00 every morning, through fog, rain, or shine, students streamed out ot the bare white wall with paint and brushes in hand, climbed the scaffolding to continue the meticulous work each day through to the mural's completion, after which a gala Grand Opening of the new Sycamore Park was held in celebration of a year's labor of love.

Sycamore Park was the brain-child of Ms. Baresin and her Earth Science classes who planted trees and shrubs, seeded a lawn and built pathways, carefully designing and landscaping with an eye for beauty and restfulness. Many trees and shrubs were donated by faculty members and the city of Rohnert Park.

The park benches in Sycamore Park were built by the Industrial Arts students and teachers.

It is incredible, aren't we lucky? The park is so beautiful, thanks to all the lovely people in our community who wanted to help in the beautification! Thank you out there, gentle people.

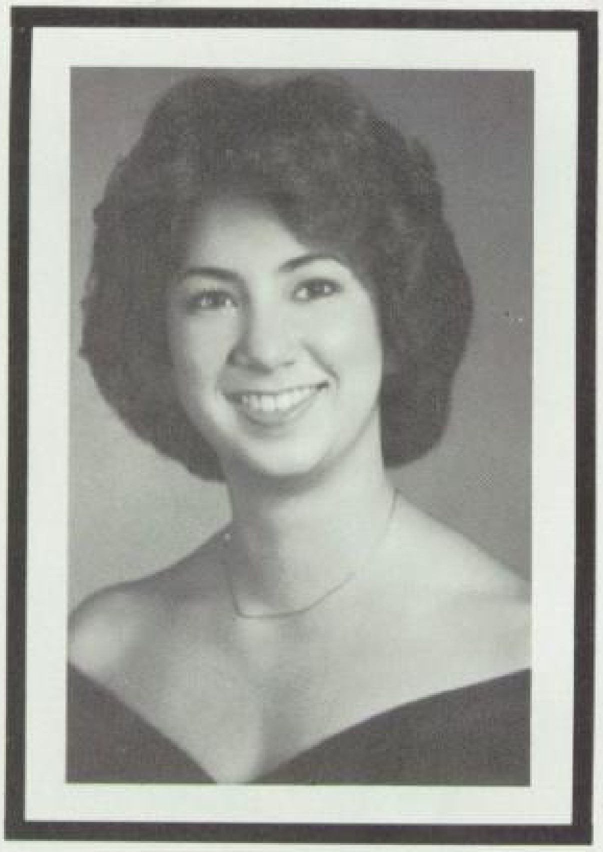
In Memory of



Cynthia Moreland

1980-1981 Rancho Cotate Student Council

Trees planted in Cynthia Moreland's memory on campus were placed in the earth near the ROP Electronics classroom by Ms. Baresin and her students. A leyland cypress, a redwood and a eucyaluptus tree are now standing tall and straight in celebration of Cindy's participation in life.

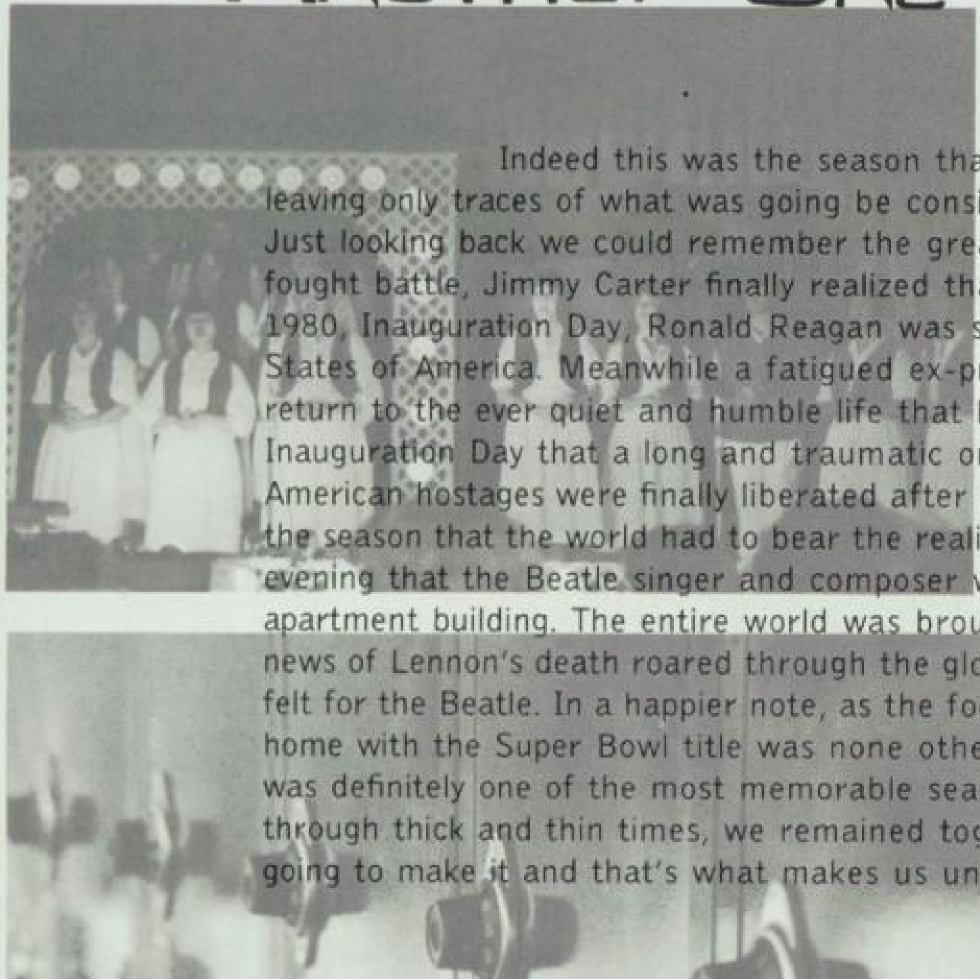
Another One Bites The Dust



Indeed this was the season that bit the dust. September through June flew by leaving only traces of what was going be considered one of the most memorable seasons ever. Just looking back we could remember the great 1980 Presidential Elections. During a long fought battle, Jimmy Carter finally realized that Americans wanted a change. On January 21st, 1980, Inauguration Day, Ronald Reagan was sworn in as our 40th President of the United States of America. Meanwhile a fatigued ex-president returned home to Plains, Georgia to return to the ever quiet and humble life that he had left four years ago. It was also in Inauguration Day that a long and traumatic ordeal finally came to a close. In Iran our 52 American hostages were finally liberated after being held captive for over one year. This was also the season that the world had to bear the reality of John Lennon's death. It was on a December evening that the Beatle singer and composer was shot and killed in front of his Manhattan apartment building. The entire world was brought into a state of sadness and confusion as the news of Lennon's death roared through the globe symbolized the love and respect the world had felt for the Beatle. In a happier note, as the football season came to a close, the team that went home with the Super Bowl title was none other than the Oakland Raiders. As you can see this was definitely one of the most memorable seasons ever, though we as a whole people went through thick and thin times, we remained together never ceasing to believe that we were not going to make it and that's what makes us unique.

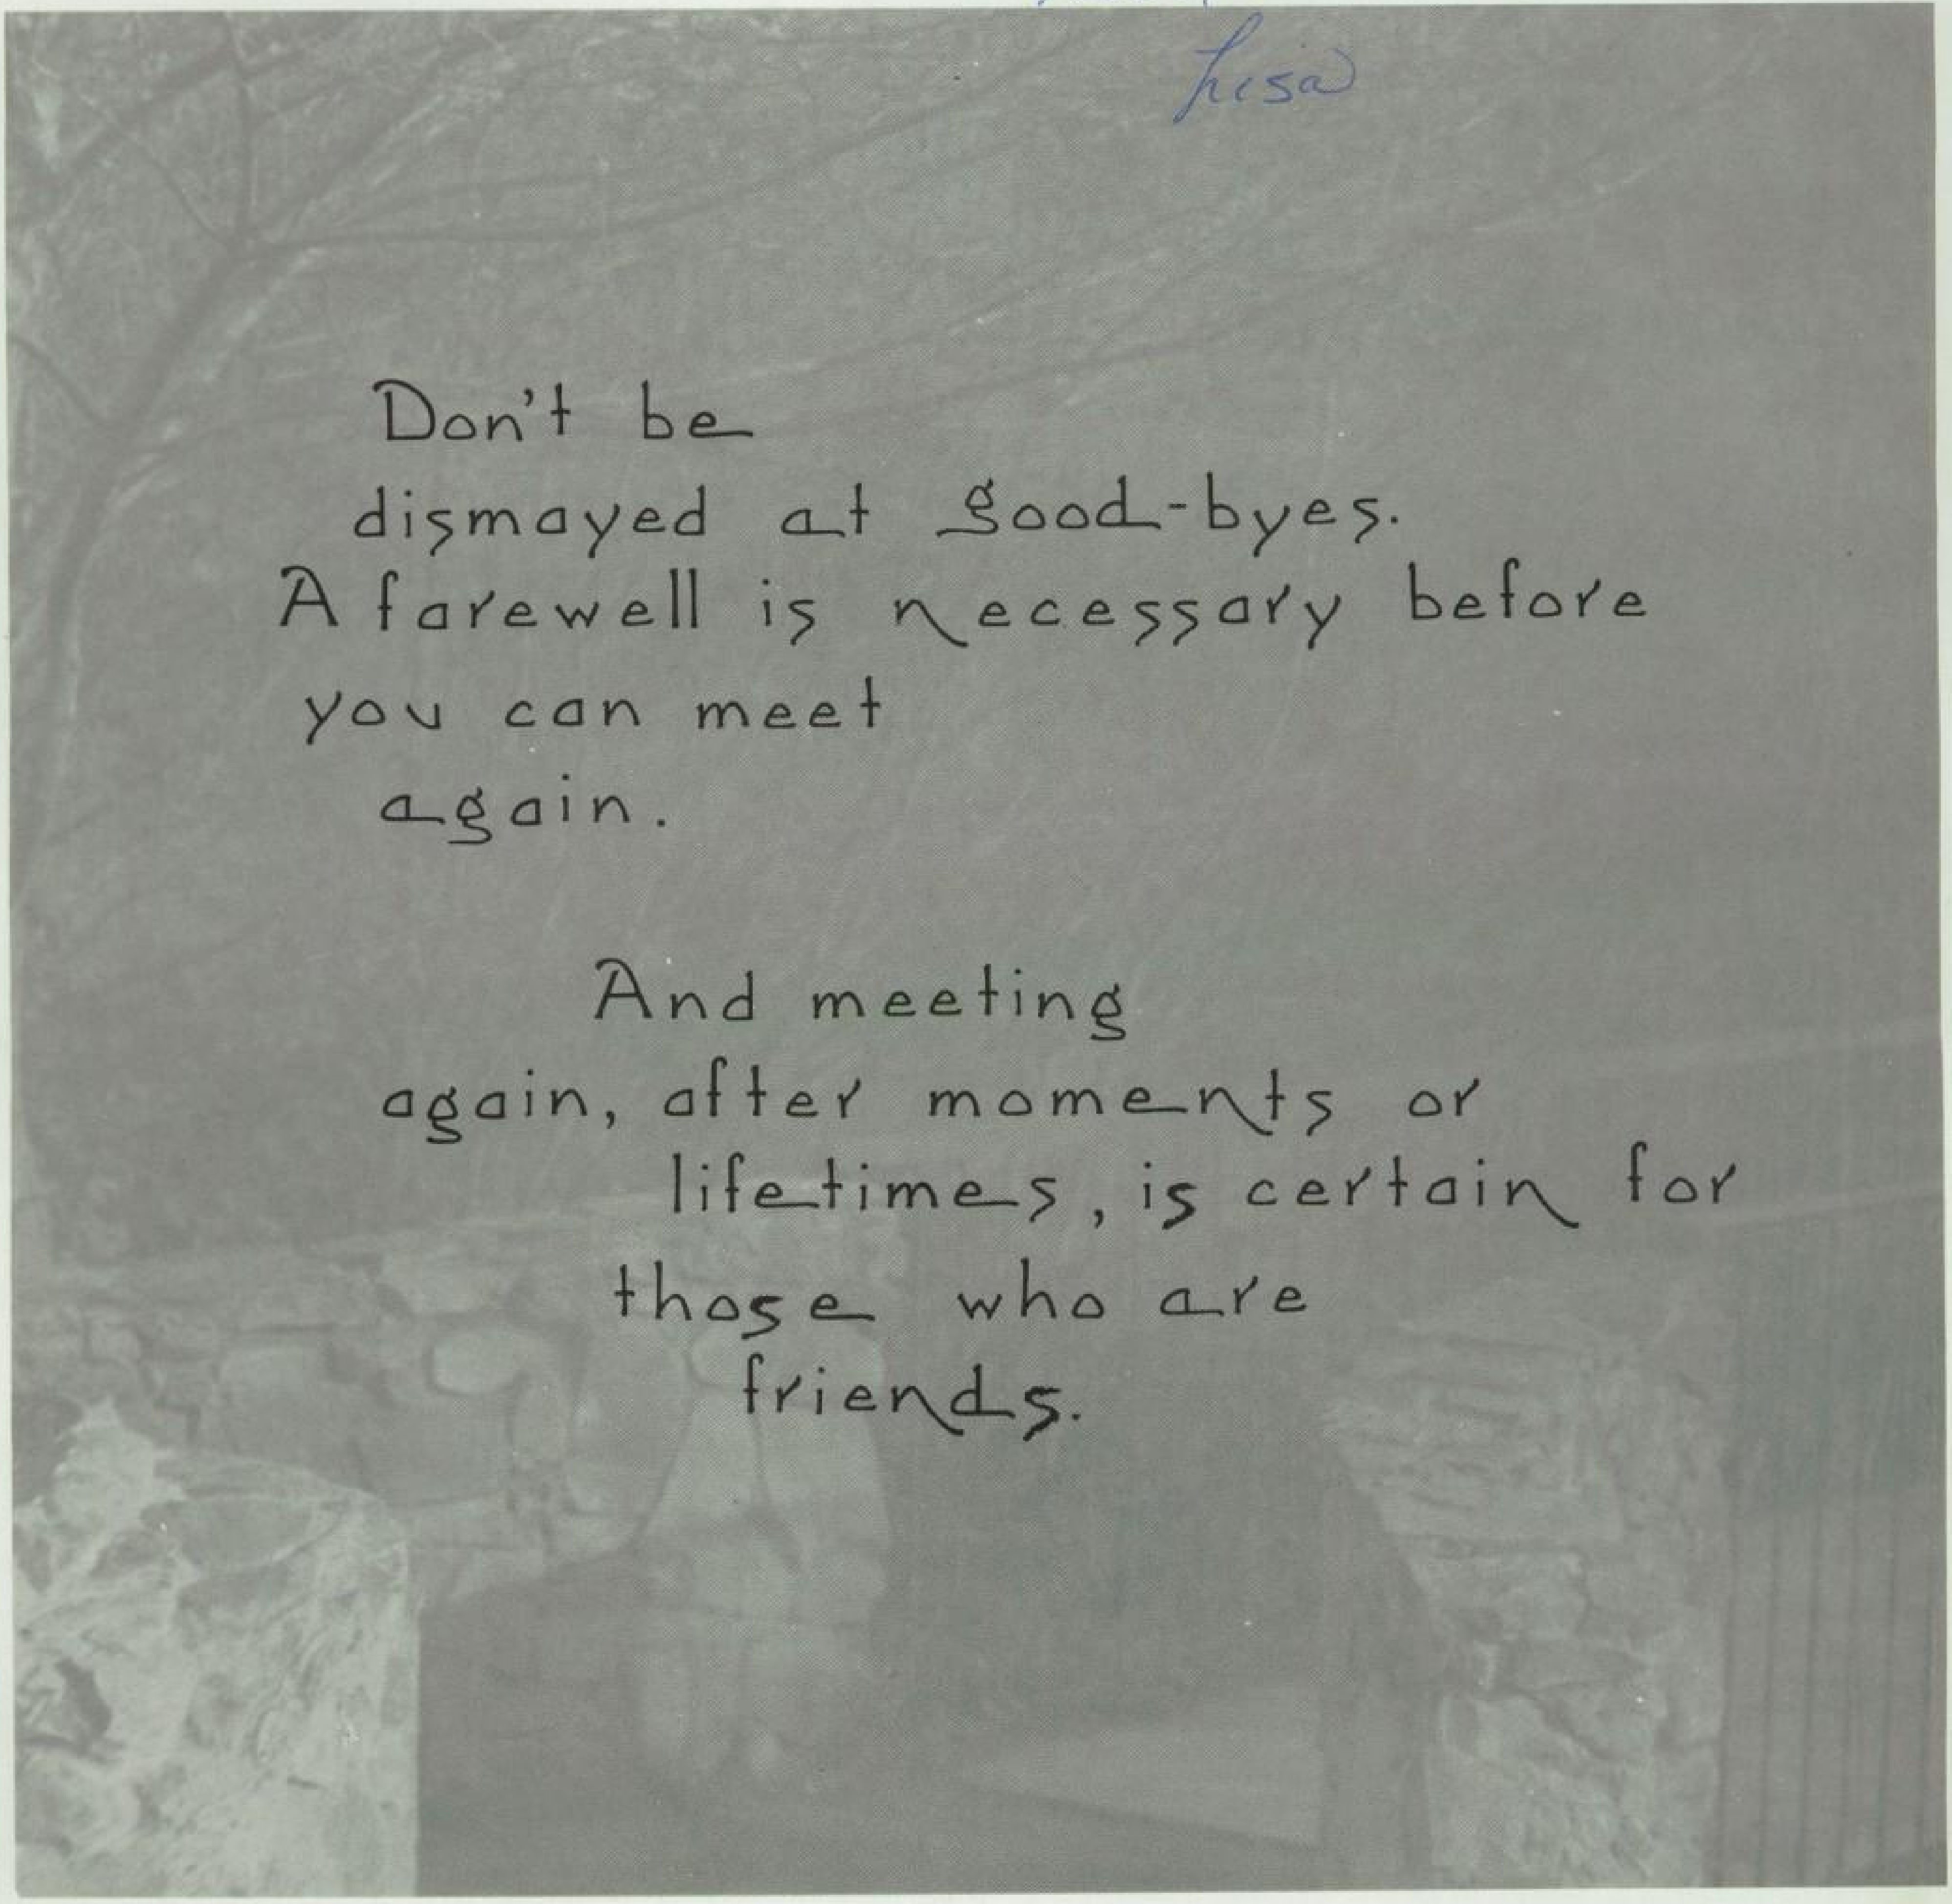
Hi! Mr. Amtrack, This has been a good year in Bio II. Next year is our last year can you believe it? Hopefully will run into each other during the summer. Have a good one and go to some parties.

Love,

Lisa



Don't be
dismayed at good-byes.
A farewell is necessary before
you can meet
again.

And meeting
again, after moments or
lifetimes, is certain for
those who are
friends.

Acknowledgements: We blow kisses to: Photographers - Paul Lyon, Dora Gossage, John Gulbransen, Gary Magallanes, Deaette DeBrunner and RCHS students. Mentor, Jim Gillespie.

Jeff,
We didn't
have any classes
together this year - maybe
next year! Just one more
year left! Yeah!
Enjoy your summer!
Kim Vande Boom

Jeff,
It has been
fun in Severson.
Hope to see you in
the summer. Take care
of that "Car" that you
made

Your friend
Curtis
Smith

Jeff,
It's been nice having
you in Science and Short
Stories class this year, and
It's also been nice knowing
you this year. It was also
great when we went to yosemite,
Climbing the half Dome, It was
fun. Have a great summer, and
hope to you next
year.
Dan Murph.

Jeff,
I'm glad we met
Friday. I like you alot.
I don't really know what
to say except that I enjoy
your company very much.
Talk to you later.
Denise ☺

Hello again
How's life? That's good
Bye -

Jeff
It's been real
nice having you
in history or more
like I came in late
you seem like a real
nice guy. Thanks for
switching seat's
with me at times
Have a good summer
Love Elene

JeFF,

Have a Good summer.
IF you Get your car Back
Don'T screw up. we'll Have
To Go To The races someTime
your Friend,

Philip Green

Jeff,
Too bad
we didn't
get to know
each other that
well. But next year
we will helping me. Just
with my Geometry. have
kidding! Well I don't summer
to say! see you this tommorrow.
I'll just see you

Friends,

John G.

Jeff,
Bio II was
lots of fun. It was
nice having you in
class. Maybe we'll have
some classes together next
year. Have a superb summer
and I'll see ya next year

Love,
Tami Winkler
